

Text Alert System

To Parents/Guardians:

In an effort to continue to help keep you better informed of what is going on at St. Mary of the Assumption Catholic School we have established our own Text Alert System. You need to go to the following web site: <http://ohioalerts.org/stmarysvanwert>, click on subscribe to alerts, and put in your information. You will then be able to receive any alerts from the school. If you signed up last year for these alerts you should already be registered and should not have to do anything to continue to receive these alerts. You should have received a text alert on Monday, July 29, 2019 about the Summer Math and Reading program, if you did not receive this text alert than you will need to sign up again.

This text alert system is also how we inform our School Families about weather delays and cancellations. We operate under our own delay and cancelation schedule and are no longer associated with Van Wert City Schools' text system or delay schedule. We will still, for the most part go along with whatever VWCS would decide, however this does gives us the ability to make a cancelation or delay specific to circumstances that relate to our school only and not be tied to whatever VWCS may be doing. For example, VWCS may have a gas leak at their school and thus need to cancel for the day, but because we have our own delay system we would be able to be in session. This also enables us to make a delay or cancellation notice on days that we are in session and VWCS are not.

If you have any questions or problems with getting signed up please call the School Office at (419) 238-5186 and we will help you through the process.

Thank you and God bless,

A handwritten signature in cursive script that reads "Daniel W. Metzger". The signature is written in black ink and is positioned above the printed name.

Mr. Daniel Metzger
Principal-Minister
