Lacy Marincic has been appointed as our new PIP coordinator. Statements will go home soon. Her contact number is 371-3309.

Each year we ask that you collect Box Tops, save Labels for Education and register your Smith's card. We benefit in cash and product for the school when you do this.

We keep a small "Food Bank" in the office in case of emergencies. These include small individually wrapped items suitable for a quick lunch. Any donations would be appreciated.

This class is required by the diocese if you plan to have contact with our children in any capacity eg. walk to the library, classroom helpers. Please attend this class if needed.
