Please understand that we are working with more than 150 dancers and 50+ different Recital routines. **We did our absolute best** to keep siblings, and dancers who have multiple routines, in the same show.

There are a few recreational dancers/families who will be in both shows – if you are one of these families, please see us in the office for details regarding free/discounted tickets. N/A for Company & PG families.

Our show line-ups are final; we CANNOT move routines from show to show. NO EXCEPTIONS.
Thank you for your cooperation & understanding. We look forward to seeing your dancers perform! ☺
