

Elementary Summer Program at Monroe Montessori School

The Elementary Summer program offer opportunities for children going into 2nd grade through sixth grade to work together on academics within both classroom and outdoor environments. Students will complete classroom works and weekly themed hands-on projects in addition to recreational fun, nature walks, and school bus trips to a variety of meaningful destinations. This program runs from 8:30 a.m. to 3:30 p.m. daily.

Classroom works center around the theme of the week and involve reading, writing, and math skills as well as creative thinking and problem solving skills. Outdoor time includes additional hands-on activities, arts-n-crafts, recreation, water play and off-campus adventures (see flyer). Students return to the classroom by 3:00 p.m. for a review of the day before getting ready to dismiss at 3:30 from the elementary building. Before and after school care is available in from 7:00-8:30 a.m. and 3:30 - 6:00 p.m. in classroom A2 next to the main school office.

Give your child a great summer experience! Sign up today. **Early Bird Deadline is Friday, May 24th.**

Summer Slide - It is important to keep your child's brain active and learning during the summer months. Not using or challenging your brain for 3 months has unintended consequences in young children. It is referred to as "summer academic loss" or "summer slide" and it's real! Studies have shown that children enrolled in summer programs are 2 years ahead of their peers by the time they reach fifth grade. It's easy to see the importance of continuing to develop critical thinking skills, academic confidence and cognitive ability throughout the summer. *Stop Summer Academic Loss. Study by Metametrics, Malbert Smith, III, Ph. D*

MONTESSORI ELEMENTARY SUMMER PROGRAM REGISTRATION

Summer Program is open to children ages 7-12. Classes are held daily from 8:30-3:30. A minimum of two weeks of summer school is required. Registration need not be for consecutive weeks. Both full day and half day classes are available with priority given to full day students during registration. Healthy summertime fun requires parents to provide hats and sunscreen on a daily basis.

Child's Name _____ Age _____

Parent's Name _____

Cell _____ Cell _____

Please list additional people authorized to pick up your child

1. _____ Relationship/Cell # _____

2. _____ Relationship/Cell # _____

Date	Emphasis	Full Day	Half Day	Amount Due
1 June 24- June 28	Sports Heroes: This week is all about sports and famous athletes. Each student will choose an athlete and research their experience. They will create a poster about their sports hero and report to the class about their hero's successes and failures. What motivated them to put in the extra time and effort to rise to the top of their sport? We will utilize the public library for our research and spend our afternoons playing a variety of sports including baseball, track and field events, and basketball.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
July 1- July 5	No regular summer school programming. Clubhouse Care available with minimum daily participation. No Clubhouse Care available on July 4th.	No School		
2 July 8- July 12	Cultures in the Kitchen: We will explore a variety of cultures worldwide through their unique foods. Each day will focus on a different region of the world. We will learn about the regions culture and environment, how it impacts the foods they eat, as well as prepare foods that represent each culture of focus.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
3 July 15- July 19	Science Rules! Paging all Junior Scientist!! Come join us for a peek into the scientific world as we do daily science experiments such as making our own bouncing balls, experiment with oil and water, study chemical reactions while cleaning pennies, and much more. Modern day scientist Bill Nye, "The Science Guy", will serve as our inspiration.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
4 July 22 - July 26	Let's Go Outside (Outdoor Nature Week): This is a week of the outdoors where we will be exploring the natural environment around our school by going on daily nature walks. We will learn about local flora and fauna and the importance of taking care of our natural environment. Students will create bug habitats and even go on a bug hunt! Participants will keep nature journals and create art using nature. We will hike to beautiful Wallace Falls in Gold Bar to explore a local forest habitat.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
5 July 29 - Aug. 2	Animal Biomes Galore: Each morning we will watch a segment of the video, Planet Earth, to introduce a daily biome theme. We will study desert animals with a trip to the Reptile Zoo, enjoy water based activities during our "island getaway", create art inspired by mountains and grasslands, and create a diorama depicting our favorite biome.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
6 Aug. 5 - Aug. 9	History of the Decades: Each day will highlight a different decade in our country's history beginning in the 1920's. We will learn about the roaring 20's, The Great Depression, WWII, The Civil Rights Movement, etc. We will explore fashion trends, music of the decade, and pop culture. Get ready for a dance-off to Jazz, swing, rock n' roll, and disco music.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
7 Aug. 12 - Aug. 16	Eat Healthy, Grow Strong: We will learn about how proper nutrition strengthen our bodies. Participants will plan a healthy meal to make for their family at home, as well as discuss good exercise habits. We will learn about the benefits of circuit training and create our own circuit training obstacle course on the playground. Let's burn off calories playing soccer, and end the week with a splash!	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
8 Aug. 19- Aug. 23	Fun in the Sun: This is a week of doing fun outdoor activities in the sun. Activities will include a bike/scooter, ride in addition to a variety of water activities to include water balloon kickball and slip-n-sliding at the Sky River park. We will end our week with a day picnicking and swimming at Flowing Lake.	<input type="checkbox"/> \$225	<input type="checkbox"/> \$145	
Aug. 26 - Aug. 30	Teacher prep week - no regular summer school programming. Open House is Wednesday, Aug. 28th from 3:00—6:00PM.	No School		

To register: Check which sessions you would like your child to attend. Attach a \$25 registration fee plus the first week's tuition and return to the office. Subsequent weeks are due the first day of class. Early Bird Special: If you are paying for 5 or more sessions with one check before June 1st, the \$25 registration fee is waived. Before and aftercare available daily.

All field trip travel is already included in weekly tuition!

Extended Care Available: I need A.M. Extended Care (7:00-8:30) I need P.M. Extended Care (3:30-6:00)

Summer School Registration fee + \$25.00
