Tony Stiers reported that he and Calvin were working on the web site and some progress had been made, but, it is still a work in progress.

Alice Lance reported on todays tournament at Cherokee Valley. Charles Buchanan had a Hole-in-One during todays play. CONGRATULATIONS CHARLES!!!!!!!!!!!!!!

The coordinator for today decided NOT to charge \$1.00 for the Hole-in-One payout from each player. The members present discussed whether Charles should receive the Hole-in-One payout because the money was not collected for this tournament and there was limited tee times for the tournament. It was decided that there were only 16 players who wanted to play, so the 16 tee times was irrelevant, but future Thursday coordinators should get at least 20 tee times and call for more if needed.

A secrete ballet vote was held to determine if Charles would be paid \$2000.00 for his Hole-in-One. The vote was 8 yes, 3 no and 2 abstentions. Tony Stiers stated that this situation will be

a precedent and reminder that \$1 Hole-in-One fee will ALWAYS be collected at all club tournaments including Match Plays outside of club tournaments.

Tony Stiers reported that the May Match Play games are complete and urged all to stay on schedule with your games in June. Calvin Smith asked if Matches could be played early, a June match played in May. Yes

There was discussion about how a tournament is run, roll in the fairway, rake sand traps, play the ball down, etc.. All were reminded that the tournament coordinator decides how his/her tournament is played.

New business:

Tony Stiers reported that no date for the club championship has been set, but it will not be on the same date as Mountain Heritage Day as in the past.

There was no other business.

Alice Lance moved that the meeting adjourn. Dave Allison 2nd, the motion carried.

The meeting adjourned at 8:02 PM
