Covenant Church

Greetings!

The International Falls Outdoor Expo is planning our 10th annual hunting and fishing sporting event for the International Falls community. Once again the International Falls Covenant Church has graciously offered use of their building. This year the Expo will include food, prizes, games, exhibitors, as well as several educational speakers on outdoor hunting and fishing topics.

We are excited to announce that our featured presentation this year is the self-proclaimed "Grillologists," Mad Dog & Merrill®, who will be entertaining and educating our local backyard enthusiasts with the finer points of grilling. They want nothing more than to make everyone a better griller and have a ton of fun doing it!

Since the first Expo event in 2011, we have raised over 10,000 pounds of food for the local Salvation Army food pantry, plus \$6,400 in cash, AND almost \$8,500 for the local medical expenses fund. We cannot do this without the help of our sponsors.

As a non-profit corporation, we rely on the generosity of local businesses and individuals for the funds to put on this family friendly event. By sponsoring the Expo, you will be helping us draw people to our community and the wonderful outdoor activities we have to offer in our area.

Please consider partnering with us for this great event, either with a monetary donation or a prize donation. Please fill out the enclosed form and return it with your donation. Or if you have a gift prize to contribute, please call me at (218) 324-2709 and I will make arrangements for an Expo Committee member to stop by and pick it up.

We cannot do what we do, without your help!
