*"The Lord says, 'I will guide you along the best pathway for your life. I will advise you and watch over you'...So rejoice in the Lord and be glad, all you who obey Him! Shout for joy, all you whose hearts are pure!" (Psalm 32:8,11) NLT*

**Next meeting: Saturday, June 17, 2017 - 11:00 A.M. – ?**

**AT MY HOUSE: 6540 S. Bell Ave, Chicago**

June 4, 2017

My dear brothers-and-sisters-in-Christ (and you are very dear to me),

♥ **June's meeting at my house:** 😊 We will have a meeting, and after the meeting--we feast, play games, relax and fellowship! It was suggested that this year **the bingo prizes** can be really nice things for which we no longer have a need. **Bring them,** and we will display them so that winners can choose. Also, the meal will be "Pot of blessings." That is, you bring your favorite dish or dishes. **We ask that you contact one of the following people to tell what you plan to bring so we can have the tables set up appropriately.**

Barbara Middleton: (773) 955-9481, Dorothy Coats: (773) 471-9395,

Also, if you are able to **come a little early** to help with set up, that would be nice. **Please let me know.**  
(773) 737-1036

Also, also: The Hillsman will be picking up the bus riders to bring them to my house. Be sure to let them know if you plan to attend!

♥ **The Shrine of Christ's Passion:** As always, we had a wonderful time! I say it all the time: "I have never been together with the saints and not had fun!" Fellowship is truly a gift from God.

♥ **Senior Retreat at Camp Warren:** I hate to keep repeating myself (actually, I probably don't.), but just read what I said above. We were truly blessed at Senior Retreat with excellent preaching, excellent teaching, excellent food, and excellent fellowship!

♥ **Property Taxes:** I will give you a follow-up in August or September after I contest my bill in August.

♥ **Alden-Wentworth – Thursday, June 22nd – 10:30 A.M. – 11:30 A.M.** I had an experience after our service in May which let me know just how important it is for us to minister to the residents. I went to another section of the floor we minister on to see my cousin. Some of our regular participants were

also in this section. For some reason, they had not attended that day. I looked at them, and all I saw were blank expressions--no smiles, no looks of familiarity. I went over to greet one, and at first, she still had that blank expression. Then she looked me in my eyes and recognized me. A bright smile lit up her face, and she greeted me. I am definitely going to ask that the residents from that section not be left out of our next service and all future services. I will also ask that my cousin be included. She was raised in church. **Remember: You are always welcome to join us at Alden-Wentworth! (The corner of 69<sup>th</sup> & Wentworth)**

♥ **Senior Transportation Committee:** The Hillsmans are wonderful! **Let's try to make it as easy on them as we can.** Why don't you call them in plenty of time to let them know if you plan to attend senior meeting. Why should they have to make so many phone calls when for you to call them would only be one phone call for you? ((773) 430-6935, Sis. Hillsman, (773) 430-3569, Bro. Hillsman

♥ **Dues:** Dues are still just \$2.00 per month - \$24.00 per year. Benevolence fund: \$5.00 **per year**

I have found another tool for enrichment of my Bible study. **Youtube.com** You can search and find all kinds of information and sermons on preachers (from Smith Wigglesworth, Oswald Chambers, Charles Spurgeon, the Wesley brothers to relatively young preachers like Dr. Marcus D. Cosby (He's one of favorites.), Howard John Wesley, and any other current preacher you might enjoy. You can find all your favorite choirs and soloists such as Sally Martin, Wings Over Jordan Choir (another of my favorites) as well as current choirs and soloists. You can start at one link, and it will eventually carry you into another similar link - **which is how I got to know others of whom I was not ever aware before. Try it. You'll like it.** Next month, I want to tell you about Roku which is one way that you can see Youtube.com on your television **free-of-charge** without having to have cable.

**"A merry heart doeth good like a medicine..."** Prov. 17:22a

A family from the hills was visiting the city mall for the first time. The father and son were strolling around while the wife shopped. They were amazed by almost everything they saw but especially by two shiny, silver walls that could move apart and then slide back together again. "Pa, what's that?" The father never having seen an elevator responded, "Son, I dunno. I ain't never seen anything like that. While the boy and his father watched in amazement, an old lady walked up to the moving walls and pressed a button. The walls opened, she walked between them, and they closed. The numbers above the doors began to go up, up, up. Then they began to come down, down, down. The walls opened up, and a gorgeous, voluptuous woman who looked to be in her twenties stepped out. The father, not taking his eyes off the young woman, said quietly to his son, "Boy, go git yo' mamma!"

I love you all; I really do, **Josie**
