**WHERE ALL YOUR FRIENDS EAT
AND MEET!!!**

Coldspring, TX

If you are a visitor to the area, we encourage you to visit the historic shops around the town square and check out our county. San Jacinto County is very unique in the fact that 50% of the county is National Forest and 30% is timberland. Lake Livingston, the 2nd largest lake in Texas, borders the other side.

Paradise Grille has been in operation since August of 2013. Formerly this site was Elaine's Restaurant from early the 90's until 2011.

We kept the traditions of the daily steam table and family style menu and vegetables. We have also tried to bring excellent steaks, seafood and more healthy choices to the menu.

Paradise Grille has been voted the best breakfast in San Jacinto County 7 times and pride ourselves on our breakfast.

Paradise Gardens

Barbara opened Paradise Gardens next door as a gift shop in 2010. She recently sold the shop but has incorporated a small amount into the restaurant. Shop at the front of the store and check out the walls as you dine. She has pictures and wall hangings for every taste. Most everything on the walls in the restaurant is for sale. Barbara has done a wonderful job creating an atmosphere of comfort, and created a beautiful business next door.

Paradise on the Square next door has a much larger selection of home décor and furniture, as well as women's clothing, keeping with the traditions of Paradise Gardens. The original building was built in 1920 and was the local general store. The shiplap wood on the walls is the original wood from 1920. Tell Helenmarie or Mary you heard about them from the Grille. They do a beautiful job of decorating it and creating a very unique atmosphere. It's a wonderful place to shop locally. They have everything under the sun!!
