

VETERANS OF FOREIGN WARS AUXILIARY  
CHIEF-OF-STAFF/EXTENSION  
OCTOBER 2019  
[www.wivfwaux.org](http://www.wivfwaux.org)

As members of the VFW Auxiliary we are committed to honor the dead by helping the living. Extending your hand to Auxiliaries in need unites us as members of the VFW Auxiliary. Forming a new Auxiliary (Extension) or saving a struggling Auxiliary (Retention) strengthens our organization.

Mahalo to the Brothers and Sisters who are willing to sacrifice their time to help retain members and try to establish new Auxiliaries. Working together we can accomplish many things.

District Chief of Staff—you have received a list of Bachelor Posts in your area. VFW Posts deciding to have an Auxiliary is a huge step for our organization's growth. PLEASE contact them and see if you can do a presentation on how an Auxiliary can help them.

All Auxiliaries should be working with their membership and mentoring chairman. Membership is a 24/7 effort in making our organization grow. Remember the new I's this year---Invite, Include and Invest!

You all know that Department President Mary has the opportunity to join the Circle of Excellence. One item required is that all Department, District, and Auxiliary Officers (Presidents, Secretaries and Treasurers) have their dues paid by December 31<sup>st</sup>. Giving you a heads up. Let's get President Mary in that circle this year.

Until next time -----“When black cats prowl and pumpkins gleam, may luck be yours on Halloween.”
