

The Goals Of Chatology Services

To help us achieve our mission our goals are first to visit with the elderly in nursing homes and assisted living settings, free of charge. If you choose to make a donation, you may also request a phone call as our secondary goal is to provide these services over the phone to anyone who feels they might benefit from them. Our website: ChatologyServices.org is a way to let people know about our services and a vehicle to drive donations and support.

Chatology Services

Providing elderly outreach
& a non-crisis support line
(for all ages).

Mission:

We are a non-profit
501(c)(3) charity that
strives to improve
psychological well-
being one chat at a
time.

“Sometimes, reaching out and taking someone's hand is the beginning of a journey.

At other times, it is allowing another to take yours...”

- **Vera Nazarian (Author)**

Meet Our President, CEO, and Founder

Hi, I am Dr. Angel. I have been in the mental health field since 1998. I completed my doctorate in clinical psychology in 2011 and have been teaching college level courses in the field since 2008. In all my experience I have always felt that something is missing, mainly resources or options to deal with the average day-to-day life experiences. There are so many minor things that we experience on a daily basis that don't require the intensity of traditional mental health services, but could still benefit from some simple processing with someone that has a mental health background. This unmet need, especially in the elderly population, is what I want to address through these services.

What does “Chatology” mean?

Our founder decided to describe what we want to do by calling it “chatology.” The idea is that through simple chats we can hopefully improve psychological well-being and hence the name Chat-ology, a little chat, with some psychological benefit mixed in.

About Our Website **ChatologyServices.org**

Our website is a way to let people know about our services and a vehicle to drive donations and support.

Ways to support us:

We are always looking for volunteers, if you are interested please contact us. You can also support us through a simple monetary donation (suggested minimum donation \$5), by shopping with Amazon Smile or at our Etsy store, selling items through eBay for charity, or playing fantasy sports for our charity on FantasyHub.com and you can even donate your vehicle! For more information about any of these options, please visit our website.

How the non-crisis support line works:

If you choose to call us, the call will generally last anywhere from 15 to 30 minutes. Of course, upon discussion sometimes it may become clear that the issue being processed might benefit from more traditional mental health service and in that case, we are happy to find an appropriate referral source.

Standard business hours 9:30 a.m. to 5 p.m. CST
Monday through Thursday.
