

TUNEDESIGNER FREQUENTLY ASKED QUESTIONS

What about copyrights? We consider this a "work for hire" situation. You will retain all copyrights associated with your song.

How quickly will I receive my demo? It depends on the amount of work we have going. It can be as fast as 3 days or up to a few weeks. We will give you an estimated completion date when we receive your song.

What if I just need a soundtrack? We can do that! We will make sure it's in your key and suited for you.

Why should I use tunedesigner.com? The bottom line is we are working for YOU! Our goal is to make your song the BEST it can be so that you will want to come back again and again. We will use every possible resource to make that happen! Check out our sample page and hear what we've done.

What if I only have lyrics? No problem! We will create the melody for you.

Do you offer song critiques and advice on how to make my song better? Yes! We understand that this process can be intimidating. If we see a problem or issue with your song we will give you our best advice to make it the best it can be.

How do I send you my song? The best way is to make a

rough demo of the song. You're not a singer? No problem!
Just give it your best shot and e-mail it to us.
