## YOUNG FUNDRAISERS GIVE TO KYC

A few enterprising young members decided to help raise money for the KYC last Sunday through the sale of origami ties and hairpieces. Ashley & Joe Meade, McKenzie & Cassidy Norris and Caroline Welch raised \$3.45. Here they are presenting Commodore Steve Bender (sporting a new tie) with the proceeds from their efforts!

Way to go! Be sure to thank our young entrepreneurs when you see them!

## RACE RESULTS

Lack of breeze was not an issue this past weekend! The MC Scows completed five races on Saturday morning and a front brought in a strong breeze on Sunday morning after the rain for the E Scows. Two Es retired before the race start and one E got swamped but all was well in the end!

## IMPORTANT NOTICE: KYC LIVERY SERVICE

**P**lease pick up your livery sticker(s) from Kim at the Bar!

If you utilize KYC's Livery Service, you need to have a livery sticker on your trailer or one on your vessel (kayak, canoe, Laser, or other small boat) if it is on one of the racks.

If you have questions, please direct them to [Joe Citriniti](#).

If you are missing a sticker please add your name to the bottom of the list behind the bar and take the next sticker number in order.

Everyone should also submit a signed livery agreement which is available on the Membership page of our website at [www.keukayachtclub.com](http://www.keukayachtclub.com).

## PIANO "UPGRADE"

**Y**ou may have seen, or heard, we have a new(er) piano in the Clubhouse. The old upright was beyond tired, with most of the key tops missing, a number of notes that no longer played, and an overall shoddy appearance.

While the new piano appears to be much newer, it's actually quite old but in wonderful condition. Built in NYC in 1937, this well cared for Cambridge piano was donated to KYC by our friends at the Curtiss Museum. Special thanks to Art Wilder, Sean Treacy, Brent Penwarden, Bob Meyer and Graham Leonard for helping with the move.
