### *IMPORTANT HOMEOWNER NOTICE*

#### BYLAW AMENDMENT VOTE RESULTS

Dear Homeowner;

During the months of June, July and August, you were given the opportunity to vote on an Amendment for the First Restated and Amended Bylaws. Initially the ballots were due to be tabulated on July 17, 2018. However, the Board exercised its right to extend the voting for another 35 days. The deadline for submission of ballots was then extended until August 21, 2018. This letter shall serve as your notification of the results of that vote.

Of the owners of the 88 units, 68 submitted their ballots. Of those ballots returned, **63 voted YES** in approval of the Amendment, and **5 voted NO** in disapproval of the Amendment.

Approval of 51% of the total voting power of the association (45 homeowners) was needed to pass the Amendment. Therefore, approval of the Amendment passed. A copy of the First Restated and Amended Bylaws is enclosed for your convenience. This will replace your copy of the old Bylaws.

Thank you for your support.
