

Rotary District 5490 Youth Exchange Frequently Asked Questions

What countries can I go to? Country choices change slightly each year...

Argentina	Austria	Belgium
Brazil	Chile	Czech Republic
Denmark	Ecuador	France
Germany	Italy	Japan
Mexico	Poland	Russia
Slovakia	South Korea	Sweden
Switzerland	Taiwan	Thailand
Turkey	Etc...	

- All Students are asked to consider three (3) countries. Please be open minded!!!
- Other countries may be available. Please Inquire.

What is the process for acceptance?

Students submit applications by Oct. 31st of each year. Student interviews are conducted by sponsoring club. If the student passes the first interview, they will be asked to complete the full application by December. Final awards and country selections are made by the district committee by March 1st.

What are the costs for the family/student/parents?

Costs will vary but students can expect that the year will cost between \$4000 - \$4500 minimum depending upon the country. Optional travel costs and personal expenses will be in addition but are not required.

- \$500 application fee is the only fee paid to Rotary. This fee is 50% refundable if the student withdraws by December 31st. After January 1st it is non-refundable.
- Insurance: Students pay health insurance. This depends upon the country you choose. Most policies cost around \$800 for the year. You may NOT provide your own insurance.
- Travel costs: students provide your own travel (plane/train/etc). We have a travel agent that can assist you. Note: 30-day excursion fares do not apply. These are 300+ day changeable tickets.
- Visa/Passport: students arrange for your own passport and visa. Each country varies.
- Emergency fund: Host countries require an emergency fund of around \$500.
- Personal expenses: phone calls, clothing, travel, entertainment, personal items, etc.
- Blue blazer: all students must purchase a navy blue blazer before departure to wear for travel.

Will I get any credit for this year in my Arizona high school? How do colleges look at this experience?

Typically the Arizona high schools give minimal to no credits for this abroad year. Although you benefit immeasurably as a person and a student, usually your school will not recognize the year academically. You must work with your school independent of Rotary. Although this is an academic exchange and you are required to attend school, learn the language and make progress in your host country school, this does not guarantee you credit in the US. Work with your high school counselor to get the maximum credit benefit. Do not base your graduation on getting any credits for the year.

Colleges love this type of program and recognize the benefits. You will be a more well-rounded, culturally rich student by the end of the year. You will have great things to write on your college essays!! Or--you can apply to schools with the intent to go abroad and schools often grant a deferment once you are accepted. Do not expect to take SAT abroad or work on your college applications. This year abroad is to focus on being away--NOT to plan your return year. Get that planning done ahead of time!!

May we visit our son/daughter while they are abroad?

Yes, you may visit but ONLY parents and siblings---no friends may visit. Also, Rotary restricts visits before March of the exchange year. Therefore you MUST visit AFTER March. We recommend the student's spring break or after they are out of school for the summer.

How can our family be a HOST FAMILY while our student is abroad?

For each outbound student we send, we are required to take one inbound student. So, of course your family can host an inbound student for 3-6 months while your student is abroad. Just ask your Rotary contact for more information. It's a great experience. We request that you provide us with the names of 3 families who would like to host a student (possibly including your own).
