Color - Terra Cotta
Or Tamco – Red Blend

Windows

All windows replaced must be bronzed on the outside....no white facing to exterior

Brick Fronts

Current brick fronts that need replacements have two options.

1. Use a brick fascade. Contact Brick It at brickit.com. The color is rustic and has a product ID of TBSMODRUST. See 437 Indian Village Trail front for example.
2. Use shaker style siding painted Cheyenne Red SW3043....see 1366 Warrior Way front for example
