## Correct Shoes?

Do you have the correct shoes? Please check with the staff at the front desk to make sure your child has the correct shoes for their class. You need to have shoes ordered before pictures. We have been noticing that there are a lot that do not have the correct ones. Especially those that changed from Combo classes to the Level classes. Check the back of this page to be sure your student has the correct shoes.

## Recital Costumes are Arriving!

As recital costumes are coming in, we are handing them out to students. Please take them home and try them on right away. If there are issues with them, let us know ASAP! The sooner we know, the sooner we can get things fixed.
