JANUARY 2014

# *Alan's Articulations*

## Hello Mustangers!!!

Welcome to 2014. Another year has gone by. Where does the time go? Projects ongoing in the garage. Cars under covers collecting dust. All of us waiting on that day of sunshine to just open the doors and air things out. Maybe even just a nice cruise around the block. Yeah, right! Probably right after you light em up after you get out of the driveway!

I hope that everyone remembered to do all of his or her storage preparations before winter. Fluid changes/checks, up on jack stands, fuel tanks with additives so that you are ready for the spring start-up. Nothing can ruin the excitement of a possible cruise like a hot rod that won't light the candles! And that time will be here before we know it.

With a new board finally in place, we are hoping for a fun filled year of shows and family events. Maybe some of them not even car related! That is where you come in. As our membership, I would like to ask each of you to think of possible activities that as a club or small groups, if you wish, might be interested in doing. Bring those ideas to the meeting on the 18<sup>th</sup>. It's not up to the board to coordinate everything. It is your club. Make yourself heard. I would like to especially hear from the ladies. You know, the wives that put up with us guys and our seemingly never-ending car talk? Yes, you. What would you like to do? Write it down and bring it with you.

As a board we have our normal events in place for each month that will blend with all of the other events that will be happening this summer. The only difference this year is the 50<sup>th</sup> birthday of our beloved Mustang. I guess Mark gets to order his next month! I am sure it will be a convertible. We are also going to try and coordinate a private viewing when the first one hits the ground at Phil Long. We will keep you informed as things become available. (continued on page 5...)

## Club Code of Conduct

The Rocky Mountain Mustangers take pride in our Club being an organized club with monthly meetings and events. We enjoy having members of all ages participate and show their love for the Mustang, from a new car to a classic car, a show car and a race car, and up and coming cars. We have had numerous members come and go from the Club for various reasons. The Board of Directors does not want to see any of our members treat other members, or potential members inappropriately, with comments or actions. In accordance with our By-Laws, the Board of Directors will ask anyone found causing embarrassment to the Club to resign.
