WALNUT GROVE CHURCH OF CHRIST

Message from the Elders

We hope you have had a great week! Today is the Lord's Day, let us rejoice! As we gather together to worship God, let us be encouraged from the worship service and from being with each other. We appreciate each member of Walnut Grove. Let us continue to grow spiritually and be strengthened by one another.

Although our ***Stronger Together*** outreach program may have somewhat finalized Wednesday night, continue to pray for those who were given a book and continue to pray for the outreach effort. As Jason stated Wednesday night, our goal is to find one lost soul and bring them to Christ! We hope you have benefited from this program. We want to be a congregation that is willing to share the gospel in our community. Books are still available. If there is someone you know that could benefit from the book, feel free to pick up a book to give to that person. Help us as we continue to consider other efforts in the near future, sowing seeds in the community. Pray for our efforts. Pray that we may be able to reach others with the gospel.

John Dale will be with us today, as Jason is out of town in Gospel Meeting. We look forward to hearing John Dale, and the things he has prepared.

Continue to remember in your prayers those of our congregation who are sick. Several of our members continue to receive treatments for their health related issues. We have so many who are dealing with so many different issues. Remember to pray for each of them and the medical professionals administering care to them.

Also, several families have lost loved ones recently. Pray that those families may be comforted during their time of grief and loss.

We will livestream the class and worship service. The speakers will be set up outside for those wishing to remain outside or in their cars. Classes will start at 9:30, with worship at 10:30. Please consider your health and the health of others as we assemble together. Please take necessary COVID-19 precautions. Practice social distancing as we assemble, maintain a 6ft distance from others where possible. Individually packaged communion will be used and is available as you enter the auditorium. Collection plates for your contribution are in the auditorium and foyer area. Please consider wearing a mask. Hand sanitizer and hand washing stations are available. The building is being cleaned and sanitized after each use. For classes, teachers are asked to wear masks in their classrooms and are implementing additional sanitizing. Minimize the number of people in the classroom halls by letting children go to their classes by themselves, when possible.

Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have *sown* and increase the fruits of your righteousness - 2 Cor 9:10 NKJV
