

## 3rd-5th Grade Summer Reading

Dear Parent/Guardian,

This summer, the incoming 3<sup>rd</sup>-5<sup>th</sup> grade students are recommended to do summer A.R. reading. The following books are a few suggestions, but students are not limited to these options. At the return of school, the students will take the A.R. tests that goes with the book(s) they read. There will be an incentive for all students that successfully complete any A.R. test(s).

Thanks,  
Lori Hess and Jennifer Stewart
