2017 FIRE DISTRICT BUDGET

Narrative and Information Section

2017 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

TOWNSHIP OF FRANKLIN FIRE DISTRICT NO. 4

FISCAL YEAR: January 1, 2017 to December 31, 2017

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2017 proposed Annual Budget and make comparison to the 2016 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

For the most part, the 2017 budget is the same as the 2016 budget; minor changes in certain line items such as professional services and training and education were funded through the allowable 2 %. The District's debt service increased by \$220,000.00, which represents the down payment on the new rescue truck authorized in 2016. These funds will be paid from funds reserved in previous years for future capital outlay.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The proposed 2017 budget will result in an increase in the amount to be raised by taxation of 4/10 of a penny and was accomplished by using \$27,172.00 of unreserved fund balance. The District utilized \$220,000.00 of its fund balance designated for future capital outlay to offset the initial payment on the new rescue truck authorized in 2016. This is the use of these funds as designated.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The proposed budget meets the requirement of the Tax Levy Cap legislation without any allowable exception or prior year banked Cap funds. This was basically accomplished through the prudent use of unreserved fund balance.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

Not applicable

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The proposed capital budget allows the District to start accumulating funds for their next capital acquisition and payment of debt service without a substantial increase in the District's tax rate.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

Not applicable

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

Not applicable

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 268,474,400.00
Proposed Tax Rate per \$100 of Assessed Valuation	\$.191

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	<input checked="" type="checkbox"/>	Yes		If yes, how much is appropriated?	\$
----	-------------------------------------	-----	--	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

No	Yes
