## JMG

By C. Wittak
JMG Students Organize for the Celebration of Red Ribbon Week of October 23rd: The importance of Red Ribbon Week is not something the general public is unaware of. It is celebrated throughout the world, and a huge number of people participate and take a visible stand for the cause. It is considered as an ideal way for communities to unite and come on the same page against something very detrimental to the youth and society in general. It is extremely important to understand the importance of this week fully. The death of Kiki Camarena at the hands of drug traffickers brought a great shock to the world. He was at justice and serving his duty as a dedicated officer of his country. The injustice he faced at the hands of mere drug traffickers brings nothing but shame to the drug endorsing and trafficking groups worldwide. This annual celebration is sponsored by National Family Partnership. This organization is doing some commendable work by bringing different groups of people together for the promotion of a healthier and sustainable society. They sponsor a bunch of events that help in networking for the cause. They also provide parent training to keep children and the youth safe and far away from any usage of drugs. They help citizens all around the world get together and be on the same page for something that's in every way beneficial for society. Please continue to help fight against drugs involving our youth.

## Comprehensive FCS

By C. Wittak
Three students have been extremely blessed by having Linda Hersel help them in class constructing their quilts, deciphering patterns, using proper sprays, threads, cutting techniques and fabric. There are so many facets to quilting that the students are learning each day from the experts in our community. Thanks to fabric donations from Marg Hersel, Alicia Sones and Tarrah Poitra for the students projects! Linda and Francie Hoversland have taken time to help the students understand patterns and proper construction of quilts, as well as sharing tips and tricks to help make the students quilting experience more efficient and effective. They have also been allowed to attend the quilting segments at the Lutheran Church on Thursdays. They are excited to participate and learn something new each day. The students are looking forward to the completion of their first quilts and I am thrilled with their progress!

## Butterbraid Fundraiser - Class of 2029

By C.Wittak
Thank you to those who purchased Butterbraids from the 7th graders. The Butterbraids were delivered to the school on Oct. 25th. So the students should have them to you by now. If you have not received your products, please call Ms. Torgerson (406-783-7227) or Ms. Wittak (406-480-5802) and let them know and we will help the student get it to you! Thanks again - great support and great work by these young students for their first fundraiser!

Authentic German Chocolate Advent Calendars have arrived! Thanks to Kris Baker for her reminder and order! FCCLA is selling the calendars until then are gone!

These have been sold by the Foreign Language Clubs in the past and we have continued the tradition! Great chocolates, great product! Thanks for your support in advance!

## Art Club News

By K. Torgerson
It's that time of year again!! Art Club will be selling Martinson's candy the month of November. Our first day to sell is November 1st through November 28th. Get a hold of any Art Club member, or Ms. T. at the high school if you have not been approached by an Art Club member. This is amazing Montana made candy and it makes wonderful gifts! The best part is it will be here in time for Christmas! If you miss us during that time, we will also have a table set up at the vendor show November 27. Stop by and see us!

Art Club and FCCLA will be sponsoring the annual Vendor Show, November 27, in the commons at the school. Please get hold of Ms. Torgerson or Ms. Wittak to reserve a table. The cost of the tables are $\$ 20$ for a small lunch table, and $\$ 40$ for a large lunch table. There will be students around to help haul in and out. Food will also be available. See you all there!

## NOTES FROM THE OFFICE

It's that time of year when temperatures begin dropping. We've already had our first snow and the wind has turned quite cold. With that in mind, all students riding buses for any reason are required to have a coat, hat, gloves/mittens and full-coverage footwear. Students traveling for activities are to have a coat, hat, gloves/mittens, long pants or sweats and full coverage footwear. It is acceptable for students to bring blankets as well.

All elementary students should have a coat, hat, gloves/mittens and boots for playing outside. Snowpants are recommended for those children that wish to play outside in the cold and snow.

Oct. 31 - Nov. 3
Mon: Breakfast - Pancakes, sausage, and strawberries
