The New World Celts is a non-profit organization formed in Dunedin, Florida in 2000 to promote Celtic Culture in the New World in the areas of cultural awareness, music, dance, athletics, re-enactments, history and other areas deemed appropriate. To promote awareness of the outstanding contributions and history of the Celtic peoples in the formation and continuance of the New World; to provide a forum for the exchange and promotion of Celtic cultural information between the Celtic associations of the New World; and to act as liaison for coordination of and assistance to these organizations. The New World Celts supports all Celtic cultural non-political, non-religious, non-racists organizations that espouse the same high ideals as ours as we look to perpetuate Celtic cultural and history in the New World
