Banyan Elementary School PTA Membership Form

Did you know that the PTA is the largest volunteer organization working to improve the education, health, safety and well-being of all children and youth?

Studies show that children whose parents are involved in their school perform better. **Your involvement**, whether at home, in school, or in your community, **makes a difference**.

- PTA membership is open to everyone, not just parents! Grandparents, aunts, uncles and friends are all welcome. The PTA has something to offer everyone! Be active, be a part of the decision making, be a role model for your child!
- Our goal this year is to encourage every parent and grandparent to join our PTA!!
- The membership fee is \$10.00 for EACH individual. A portion of every membership along with any additional donations goes towards funding different programs at the school.

Only one form per family is needed

☐ **YES**, I want to become a PTA member.

- Please make all membership checks payable to Banyan PTA and turn into the front office.
- You can also pay via PayPal and sign up online.
