

## Obituary

It's with great sadness that I report my good friend Ken Warby, of Redbourn, passed away whilst in hospital on the 12<sup>th</sup> February 2021. Ken loved Old Time music and dancing, his knowledge of Harry Davidson and the other Old-time orchestras was encyclopaedic. He and wife Rae were great supporters of the Abbots Langley club since our beginnings and also supported other clubs and dances over the years. Ken was a former police officer of long service and a real gent of the old school. He'll be sadly missed by all his many friends.

Our thoughts are with Rae and the family at this sad time.

Chris Everitt, Abbots Langley Old Time Dance Club.

Ken & Rae had been members of our Society since the beginning and Ken was a great help to me when arranging the AGM of the Old Time Society in 1986 at Shenley Park Hospital in Radlett. His collection of the Harry Davidson radio programmes was of great help to us when researching the history of old-time. He will be sadly missed by all who knew him and we add our condolences to Rae and family at this sad time.
