PARENTS, PRESCHOOLERS, AND PLAY:

MONDAYS: JUNE 17-AUG 5.

COST: \$320.00

1:00 – 2:00 pm & 5:00 –6:00 pm

Leader: Michele Gething, CCC/SLP Co-leader: Jodi Vogel, OTD, OTR/L

Come join us to learn about language development and how to enhance your child's language skills through play. Our speech therapist will provide you with feedback on your child's speech development and help you with ideas to work on at home. Our occupational therapist will emphasize the motor skills needed for preschool/kindergarten readiness. Tap your inner child and come to stay, play and have fun with your preschooler.

WIGGLE, JIGGLE, SING AND GIGGLE CLUB:

TUESDAYS: JUNE 18-AUG.6.

COST: \$320.00

Developmental age 5-10. 1:00-2:00 pm (a second class will be added if needed)

Leader: Jodi Vogel, OTD, OTR/L Co-Leader: Beth Pool, Educator/Choir director

Music and movement create so many amazing therapy opportunities. Dance, yoga, song, and musical instruments are a fun way to build motor and language skills. We invite you to sing and dance along, making everyone feel happy! Put on your costumes, learn the dance moves and perform for the animals. *Child must function without an aide.*

ADVENTURE CLUB:

WEDNESDAYS, JUNE 19-AUG.7.

COST: \$320.00

Developmental age 5-10. 1:00-2:00 pm (a second class will be added if needed)

Leader: Shannon Guiley, MPT Co-leader: Jodi Vogel, OTD, OTR/L

Adventure Club will combine you child's love for sports, nature, creativity and challenges. Each day will bring a different challenge, either in the barn, meadow, woods, or on hikes. Our physical and occupational therapists will help your child stretch their gross motor skills through a "just right challenge" to meet their individual needs. *Child must function without an aide.*

FUN WITH FRIENDS:

THURSDAYS, JUNE 20-AUG 8.

COST: \$320.00

Ages 7 -10. 1:00-2:00 pm (a second class will be added if needed)

Leader: Stacey Creech, COTA/L Co-Leader: Michele Gething, CCC/SLP Co-Leader: Diana Holderman, M.Ed., PC

Join us for fun and exploration with animals and nature as our children learn and strengthen their social skills through active play. This class is designed to help children engage and verbally interact with their peers through structured facilitation by our therapists. *Child must function without an aide.*
