

# Training Paths:

Because training never stops we offer an array of services!

### 1. The American Kennel Club Path

By the time a dog passes the Canine Good Citizen they can do a long down stay from 20 ft away, walk past other dogs and people without pulling on the leash. Food rewards have been faded. [www.akc.org](http://www.akc.org)

### 2. APDT C.L.A.S.S.

What is C.L.A.S.S.? Canine Life and Social Skills, is wonderful 3-tiered educational program for the life of the dog to promote training focused on the use of positive reinforcement and to strengthen relationships between humans and their canine companions. [www.mydoghasclass.com](http://www.mydoghasclass.com)

### 3. Therapy Dog

To belong to Therapy Dogs International (TDI®) all dogs must be tested and evaluated by a Certified TDI Evaluator. A dog must be a minimum of one (1) year of age and have a sound temperament. Each dog must pass a TDI temperament evaluation for suitability to become a Therapy Dog. The test will also include the evaluation of the dog's behavior around people with the use of some type of service equipment (wheelchairs, crutches, etc.). [www.tdi.org](http://www.tdi.org)

### 4. Service Dog

Dogs are trained to assist in a variety of ways to help with daily tasks and to increase independence. Should pass the public access test. <http://www.assistedogsinternational.org>

We do not address aggression cases in our day school. Dogs must be dog and people friendly. We do offer private training lessons to address your needs.

# K-9 Capers

DOG  
TRAINING  
ACADEMY

At K-9 Capers, we believe in discovering your dogs greatest potential by using training games such as nose work, agility, or fly ball to name a few. We focus on brain games that give a dog a chance to make the right choices to pave a way to better behavior.

## Day School News!!! Fall-winter newsletter

Dogs, like people go through different stages in their life. Training should be a lifetime commitment.

"Positive training helps people foster relationships with even problem dogs by understanding, and turning around the problem behavior without the use of force or fear. This changes behavior without damaging trust between dog and owner. Anyone can use rewards to teach dogs to learn but it takes advanced knowledge and skill to turn around negative behavior without the use of force.

People who make time to teach their dogs lead more fulfilling lives with their canine companions. A healthy balance of

learning manners, encouraging sociability and providing your dog with the right kind of outlets will ensure her success. People who fail to give their dogs the education they need are doing them a great disservice and will have problems in the future. The learning process does not have to be costly or intense, and the more enjoyable it is for the both of you, the better the results will be." These are words by Victoria Stilwell of the UK to live by.

Victoria also suggest 5 reasons to train your dog!

1. To Build a Positive Relationship
2. To Teach Life Skills
3. To Increase Sociability
4. To Avoid Problem Behaviors
5. For Loyalty and Companionship

Positive training involves food treats, toys, games, petting, attention, tone of voice, field trips and time together. Punishment involves pain and dogs can begin to avoid people and places. Positive reinforcement is endorsed by the is American Veterinarian Medical Association. <https://www.avma.org/News/JAVMANews/Pages/150115h.aspx>

**New policies:**

We want to offer you and your fur-child the best possible care that starts with safety, then positive reinforcement training and buddy matching for proper play groups.

Due to the state departments standards, no dog is allowed to be unsupervised and the ratio is 10 dogs to 1 handler. At K-9 Capers, we have a better ratio, with 6 to 1. Because of this new policy, we will have drop-off and pick up times as listed below. However, we certainly will work with you and your schedule. Late pick-ups may require additional fees to cover staffing.

**Pick-up and Drop-off times**

Wednesday & Friday  
**Full day Students:**

Drop off 8-8:30 am

Pick-up 4-4:30pm
