Well, summer came early this year, as the weather has been hot, albeit dry, since April. The good thing about it is the pool feels wonderful!

The painters started work on power washing the buildings, repairing some of the stucco and painting the white trim on all. The woodpecker holes will be filled in as well. Once it is done, the buildings will have a fresh look to them. It is going to be a long process, but well worth it in the end. Be sure to move your car when your building is being painted so you don't get any overspray on it.

The pool is scheduled to be acid washed and cleaned in August, which means it will be closed during that time. The office will post the days it will be closed when it gets close to the time the maintenance will be done. The Bocce Court has new umbrellas. Management is having a number of pool chairs and lounges re-strapped. They should be back by the pool soon.

The new irrigation control system from UGMO Technologies has been completed. The landscaping company has been doing a good job trimming the shrubs and killing the weeds. The grounds are looking lovely. Some of the fitness equipment needed repair and Julie and Dawn saw to it that it was done.

The Chief of Fort Pierce Police, Diane Hopley-Burney, has scheduled a meeting for South Beach residents and businesses for June 23rd at 7:00 pm to discuss recent happenings near the jetty. The meeting will be held at Chapel by the Sea, 1717 Gulfstream AveFort Pierce, FL 34949. The more people who show up, the better.

Derby Day was a great event at the Clubhouse thanks to Dianne Simsic's hard work. Lots of ladies participated in the Derby Hat Contest and we had our own horse race after the official race on TV.

Marilyn Murphy created some wonderful centerpieces for the tables and the Social Committee members helped to get the room set up, as well as cleaning up afterwards.

Forty-eight residents attended the viewing of the Mayweather fight at the Clubhouse.

Carol Conrad was nice enough to set up a link for photos she has taken throughout this year and last. It is <https://www.flickr.com/photos/hiesocial/> . If you click on the word

"albums" there will be an album for each event. To copy or download the pictures to your computer you must sign in. The user name is: hie.east, password: harbourisle. Once you sign in you can always add pictures to the photo stream and then to albums.

For those interested, there are jazzercise classes in the Clubhouse on Monday, Wednesday and Friday at 9:00 am. On Tuesdays, Thursdays and Saturdays at 8:30 am there is a "Walk Away the Pounds" class which is geared for all ages and easy to follow. Everyone is invited to these classes. It is a great way to have some fun and get fit!

Join the summer Bocce games! New players are always welcome. They play every Monday, Tuesday and Friday at 6:00 pm. Just show up... no need to call anyone.
