Our 20<sup>th</sup> year was one of upheaval. I am proud of the way PBHA adapted to the ever changing requirements and regulations. PBHA led the way in developing formats that allowed races to happen. Since we had to limit membership and we waived the awards fees on the horse/rider combinations our awards process has to be revised.

We are going to give out gift certs to our Local Small Businesses that have sponsored us. Below is the list of sponsors that we will be giving gift certs to. There will be a form on line when we are ready to start receiving the requests. These certs will be mailed out to you.

If I have missed anyone on the list below and you think you would fit into this program please let me know ASAP.

Buckle winners will receive their buckles in the mail or at a local race.
