*This event will serve as our Christmas Children's Hospital fundraiser. Our goal is to provide a new toy or stuffed animal for each hospitalized child and to give their caregivers a bag filled with everything they need to stay overnight in the hospital and more. We will also be taking items to St. Jude in Johnson City to brighten the day of children who fight everyday just to survive. So come on out and join in the fun and help make a sick child and their family smile on Christmas day!*

**In loving memory of Josh Adcock who spent**  
**Christmas 2010 in the hospital and Phil Adcock**  
**who spent Christmas 2009 in the hospital.**
