Ms. Wright-Estevam,

I am Senator Henry's new Legislative Assistant. Thank you for your communication. As Senator Henry informed you, we will review the information that you provided regarding your MGM Bill proposal to protect male children from the harmful practice of forced (meaning non-consensual , non-therapeutic) circumcision.

Attached, please find a copy of Senate Bill 393 that Senator Henry introduced on May 15, 1996 and was signed on July 3, 1996.

Kind regards,

Tynetta Brown
