**God's Spirit guides you.** "When the Spirit of truth comes," Jesus said, "he will guide you into all the truth" (John 16:13). The Acts of the Apostles records the event at Pentecost, which marked the coming of God's Spirit – just as Jesus had promised to his disciples. It's the Holy Spirit's work in us that opens our understanding to the Scriptures, informs our conscience, and guides us in our decisions. Without the Holy Spirit, we'd be on our own trying to navigate through life. With him, we have the very presence of God within and beside us, guarding our hearts and keeping us steadfast in the truth.

## 4th Sunday Area Singing

The schedule for the quarterly area singing is posted on the bulletin board by the picture directory. If you enjoy singing, then you will enjoy hearing more voices singing familiar songs and maybe a few new to you.

Light refreshments are served immediately following each area singing. This will give you an opportunity to meet members from the surrounding churches.

### Future dates and locations:

**REACH, Inc. – Community Project**

The ladies made a commitment to supply the REACH, Inc. of Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9”X9”. Put them on the table in the pantry and we will fill them as time permits.

There is also a small donation jar on the table in the back of the church if you would prefer to give money. If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take the card directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

Fundraisers are needed to supplement government grants. The next major fundraiser is a “Duck Race” co-sponsored with Mountain True. Ducks are \$10 each.

Because of concern for public health safety regarding the spread of COVID-19, the race has been postponed. We will let you know the new date as soon as a decision is made.

Let Lula know if you want to purchase a duck from her or you can stop by the REACH office located on Hwy 64 across from the BB&T bank.

**Directory Updates**

We want all new members to please fill out one of the forms located on the back table so we can keep the directory up to date. We do not share the information with anyone outside of the congregation without your permission.

Contact Dean if you need a picture taken for our picture directory located in the foyer.

Nell Ard is working to keep our directory profiles updated so let Dean know of any changes and he will share the information with her.

**Pantry Items**

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula will pull items off the shelves and take them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen an increase in need during the COVID-19 pandemic and increase in unemployment. NOTE: **Our pantry is small, so we try not to over stock** and we give out food only if someone is here when an individual comes to the church.

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty egg carts so they can divide the large crate of donations they receive from other organizations.

- Cover your sneeze or cough with a tissue or elbow to reduce spread of droplets
- Please wear a mask when you are outside amongst large crowds, especially if you are not feeling well or having symptoms, e.g. coughing, feeling tired and aching, etc.
