

Montgomery Moms

President's Note

As we move into Spring and our last months of our calendar year, we are looking to the future. This group is run solely by volunteers so I'm thrilled to report many of our outstanding board members from this year are planning to serve again. That said we have a few openings and would love to see some newer members join in on the fun. New people bring new ideas! This is a great way to get to know people better within the group. Each job varies with regards to the time it involves but does come with 3 board meetings aka ladies nights with drinks included. :)

Children's Activities is the most involved of the remaining positions but also the one most enjoyed by our members. We are looking for at least 2 people to work together to plan one event each month. More if you are extra motivated. The organizers also receive the benefit of planning events when it works best for them!

Please let me know if you are willing to help in any way. No experience necessary. Most jobs come with guidelines of what has been done previously.

Sincerely, Sarah - President, Montgomery Moms

Couples Night

It's spring couples party time! Join us for beers and snacks at the NEW Queen City Brewery located in Blue Ash! That's right ladies - Blue Ash now has it's own micro-brewery in December. What husband wouldn't be thrilled with a night out drinking beer?

The folks at Queen City will have 6 of their hand crafted beers on tap and will be closing their doors to allow us to have the place to ourselves.

Please note - due to their brewing license, they are not able to allow us to bring in wine but you will find some of us non-beer drinkers at Cazadores having a margarita before heading over - you're welcome to join!
