SUBJECT: ARTICLE #8C PROTECTION, SPORTS AND OTHER INFORMATION

TO: Governor Andrew M. Cuomo Office  
New York State Executive Chamber  
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM.

All Articles are COMMANDS from ME (I AM). My words or my speech are my ORDERS, UNLESS I SAY IT IS A COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, etc., can never be disobeyed. If you do, you have serious penalties including charges and sentences on you. When I write the word ORDER anywhere, it means double ORDER. When I write the word COMMAND anywhere it means a double COMMAND.

#### Woman/Man Relationships

Women, always test your potential man friend to see if you connect intellectually, and also physically when you are play mating, if not, do not keep him. If he is not teachable, and he does not know how to be obedient and to follow you the leader, then he is not the one for you. If you have to fight with him and to quarrel, then the devels are in him, and he is not for you. He should get himself cleaned out with the many essence and to protect his house and car. If he is a junk collector and many dirty and garbage around him, then he cannot get rid of the devels, as devels like dirty and junk around them. Make sure you can get to see his home, not his parent's home, his own home, and if his home is not taken care of right, then he will not take care of you right. You are the leader and the bread winner, and the head of the household.

It is a woman's name that a man takes on, not the way it is done today. Women take care of yourself. The Ban/man is your play mate. If you cannot play with him he is of no use. If work and telephone, are more important, then he is not for you, he is for work. Find another one, or use your hand, as your fingers are your comfort and not a man. Ban/man are not as they should be, because of the devels and the Bee. A woman must use only her own hand not the hand of another woman. The hand is the best plan for a woman, as the devel can get in the man, and his penis will become like a piece of board or a dry stick, then you know the devel is in it. The hand is the woman plan, till you can find the right Ban/man.

### Woman's Finger or the Dill Doer/Dill Do

Sometimes when you use your fingers, the devil put something on it that you do not know. Wrap your fingers in the Saran or plastic wrap or use the finger covering that is like a condom.

You can get a Dill-Doer/Dill Do. You have to use the ones without a battery. Protect the Dill Doer by washing them with the same protection soap for your body: the red Carbolic soap, the Dettol brown soap, the Pears blue or brown soap, the Castile brown soap, the Carrib Red soap. Dry dill doer and wrap in a towel, and put in a zip lock bag to protect it from devil. The Dill Doer with the battery, the devil will get in the metal and get in your body, so you have to soak in the rice water to protect your Pussy. Women, eat the dill vegetable and juice and drink it too.

### Protection for the Dill Doer

Sense Melia is the best. Get the Sense Melia leaves and fry it in the olive oil on low flame and pour in a container. When cool pour in a bottle, or the sun flower oil, or the Canola oil. Rub the protection oil on the dill doer to maintain it and before you use it.

If the Sense Melia is not available then use the: Myrtle flowers and leaves or use the bougainvillea flowers and leaf. If none of these available, then use the following to rub on the Dill/Doer: Rice oil or Ganja oil to protect it. Rub all over on the Dill doer. The Soft strength Ucalyptus can be used but do not put too much leaves as it will get too strong. You can make the rice oil by using olive oil and rub the white rice between your palm and fingers with one hand or with two hands between your palms, rub it good then put in the oil on low flames to fry, etc.

### Protection for the Pussy/Vagina

Women, use the vinegar and water douche or white rice water douche to clean your vagina about once per month. Not all douches are good. They are other not as great ones. Use weak ganja, or very weak ucalyptus douches if the other two are not available. If you feel any itch get the yeast infection, or use a slice of avocado and a small piece of the avocado skin. Blend it in the blender then scoop it out in jar and put in your cooler in the refrigerator to keep for about a week. During the week use it. Every night or day that you prefer, scoop some out on your finger and push into your vagina for about a week. Do not use any douche before or after you do this. Then see if the yeast infection goes away. If not go to see your physician.

After play mating/love mating, use white rice water wet disposable and flushable towelette for cleaning vagina and penis. It is best to use bed towels to spread on your beds daily if soiled and to capture the ban/man water, so it is not left on the sheet. The devils can use the smell and other things with it to do harm to you. It is best to protect yourselves in all ways.

**Manufacturers** are to make the wet disposable and flushable towelettes with the white rice water and also the weak ucalyptus.

**Manufacturers** are to make the sewage systems from iron and add the proper protections to prevent rust build up. The sewage pipes for homes and commerce areas should be big enough to prevent clogging from usage of wet towels, or paper for all areas and city planning and to improve those sewage problems they now have.

## Man

Man to use their hand on their penis at the tip, but do not rub it too hard. Pretend to be doing your thing in a woman's hole and then make sure that you have many towels around you, so the spill gets on the towel. Use the soft natural real Ucalyptus oil for the man not strong one. Rub on your Cocky before massaging, then you rub the tip so you can get the feeling, then you spill on the towel. A man either get a good woman, or help himself with his own hand.

Women and men are play mates and they do play mating. If their children see them play mating as this can happen without prior plans, you should have told them that their parents play mate, and that is a normal thing that the adult and parents do together. Children are not sit and observe parents or anyone play mating. Send the children to do something, if by accident this happens, they should not be scared away, as if it is death or a shame or a crime. Man has cocky women has pussy and they connect them when play mating, but only adults do play mating. It is best when young adult playmate when they finish college so they are ready for being parents if they get pregnant. However, young adults can play mate with a boy and a girl that likes each other, and interested in play mating, and they protect themselves from pregnancy and any disease. Young adults can start play mating from the age of 15. Young adults must only play mate with young adults in their age group and not more than 2 years older.

## Hidden Age.

Devels encourage and influence young adults to hide their age so they are able to do things they are not to do or they are forbidden to do. There are women and men who have been put in jail and prison for these crimes. These are devel crimes and no person is guilty. All records for sexual misconduct must be removed and espunged. In many instances, young girls and young men look fully developed and another cannot know the age of the person. Many places do not give identification or identification rules, so no one can be charged for fake age offence. A reprimand should be given to the person involved and knowledge about the rules for wrong age play mating. All schools must inform children and adults of these rules. If these rules were not known and not in schools, no one can be charged for these activities.

Older man or woman cannot have any relationship with young adult under the age of 18 years old and none to be in the same home or related to him or an adopted child. Parents are not to look on their children with the image of sex in their minds as this is devel activities. Parents should stay away from their children even if they are grand or great grandchildren or relatives if they have these problems. They should use the sextile protection of drinking the cranberry and the red grape juice and red cherry juice. They should bathe in the leaves of these plants and wet their heads when they protect themselves as well.

## No

### Sextile problems

Drink cranberry, cherry and grape juice drink and use the leaves and juice and pour in bath. For those who has the sex addiction or homosexual problems or pornographic problem, buy brown, black, red towels to use. Pour the cherry, the cranberry or the grape red juice on your private parts and your bottom and soak up with towel as the red will stain. Put towels in water overnight immediately so the stain does not seep in. However, these towels are for that purpose so you can always get more towels.

If you feel that you are spinning around or you see your computer or the place moving, just say: I stand my grounds.

To protect yourself and what is inside of you, it is good to drink the rice water from washing the white rice well and pour off the water then drink it. One cup of rice can make about 16 ounces of rice water. Drink many times per day and soak in it. When you die and you are in any place no matter where you are, say: I lock myself with the keys inside of me four times. It is good to say this and drink the rice water or soak in it. If you do not have any rice water, just say: I command rice water inside and outside of me and I lock myself inside of me 4 times. If you go to another place say the same thing, and say it as often as you can. This protect your inner self and you will be happier and more wholesome.

It is a natural thing for insect to have incest, so they like to influence incest, as that is what they are. Insects can have sex in their rectum as they are insects. Insects like to play in mud and so shit in the batty is like playing in mud, insect wants people, one, ban to be like insect, so they inspire you to have sex in the batty.

#### Pussy and Cocky/Vagina and Penis Devel Problems

Women and men, you are not to allow any woman or man put their mouth on your pussy or cocky. This is because the devel goes in the man or woman and sucks your vagina and penis and take out valuable things that are in your body and in your private parts that you do not know of. The devel inject your brain with the sex fulfillment and you think you had enjoyable heightened sex, but it is a fake and you do not know. In this Earth, and in all Chreation there is a place called the Fuck Chreation and a Mother Chreation where you are taught how to love mate and play mate and how to take care of your children. You also learn how to protect from the devels. I do not know where the Republics, Federal and British did with these Ch creations, in this Earth. The devels do not want you to know how to take care of your body, and to protect yourselves against the devels, so the devel killed these Ch creations and removed all instructions and information, so you do not know how to live with your spouse, mate, or how to build relationship to becoming lasting ones. This is to give them the power to control your mind, body, and lives.

#### Devel Insurrection on Angies and Bans

The devels removed all your allowances, your trust funds, and estate funds and many other things that you are entitled to get and must have. The devels go into your bodies and remove many things from your body, put things in your body before you are born and after you are born. For example, in the woman' body there is a bag similar to the bitter Gaul that has mercury, and it is connected to your body so when you have children you do not feel any pain. The devels remove this through your generation or before or after birth, this caused women to have severe birth pain and problem with pain during pregnancy. In the bible, the devel God said to the woman: "I will make your pains in childbearing very severe; with painful labor you will give birth to children. Your desire will be for your husband, and he will rule over you", (Geneses 3:16). The devel identified that they removed something from women to cause pain in childbearing, the devels control your minds to believe that your play mating relationship must be from marriage and that is not so. In another example, the devels upstur the leadership roles and put the man in charge of the woman when this should never be. The devel Gods said to the man:

“You will eat food by the sweat of your brow until you're buried in the ground, because you were taken from it. You're made from dust and you'll return to dust”, (Geneses 3:19). The devils put the man to be the head of the household and put on him the stress of being the breadwinner when it is not his job. No person in these Earths or any Earths or chreations are to be buried, we are to be cremated or burned. No person in these Earths are made from dust or the soil. We are all flesh that can rot. Devils are made from dust, and they do return to the dust. The devils take everything from us and they continue to take and to take, and many of you are helping the devil to do this to you and to me.

### Make-Up

All women and women who are Islamic, Christians, Jews, Hindu, Mennonites, Amish, and many different types of religions can wear face makeup, eye shadow, lip stick, face foundation, eye liners, lip liners eye lash mascara, as you like them to be. You do not have to wear them if you do not like wearing them. The colors have protection in them that burns the devils. These protection for your faces helps to prevent the devils from getting in your face and skin. You can also wear short pants of your liking, short skirt of your liking, pants of your liking, short sleeve tops, short sleeve blouses, spaghetti straps of your liking, short dresses of your liking and any style and design you like. You are free. I chreated you to live in freedom and not to wear old ugly clothing and for you not to look old and disheveled. You are also to wear these clothing so that you will know those that are plastics and rubber from those that are not. Women choose what they want to wear, they do not wear their clothing's because of man orders or man laws.

Most of the plastic, rubber mechanical ones cannot wear these types of clothing that I just mention as they have to cover up. That is the reason why Christopher Columbus always wear stockings and hats on his head, as he was a plastic or rubber man. When you look on the pictures on the Article page of my website [naturalearthforall.com](http://naturalearthforall.com), you will see a grey haired plastic man, just so you know how they can look. No man is to lead or control a woman. Man cannot make themselves. Woman can make themselves and recreate themselves. Women Chreated man for their own usages. Man are to be obedient to women. If women do not put man in their Chreation, no man can be in a Chreation. Many Chreations do not have man or men.

All women are to protect their fingers and toes with colors. The devil gets in your hand middle, and your foot bottom. One of the many ways to protect is to paint your finger and toe nails with color. Men can also paint theirs using less visible colors.

### The Jews & the Ash

The Jews who were led into the wilderness by the federal insect devils and wandered through those areas for much longer than forty days and forty nights; they were not coming out of Egypt. They were living in the African Peninsula. They were emancipated from there by the federal devils, so the devils can use them to tear down others and to destroy themselves, as they did not remember why they had gone into Africa for shelter from the devils. The devils do not like Egypt, as Egypt knew how to protect themselves against the devils, so the federals took the Jews stories and changed it to Egypt.

The Christ who was tortured to death by the federal devils in Israel, was not burned or cremated as she had requested. The federal devils wanted her body to use. The devil ordered that she be

put in a tomb, and she was later moved to an unmarked area. The devils did find ways to use her body after. The Ash Wednesday is to remind everyone to burn/cremate your body and not to bury.

### No Prayer.

No one Pray. No child or children of mine in the Earth is to Pray. All those who are my children say: I Order Goodness on Me. All my children have all there is to have, and they should never ask the devils for anything, so do not pray to the devils for any item or desire or want or need. The federal devils and others stole and have all that belong to you and are for you. The word Pray brings lack. Prayer is wickednesses you are calling on yourselves. A simple meaning of the word PRAY is: P- means Porelitic devils, who analyze words and pore semantics tricks in words to create insurrection and conflict. R- means Rascal devils, they use the semantics/seamantricks and the ticks to stir up conflicts and are pussy batty man. A- means the Ant devils, they climb upon each other to gain height and power and to use sorcery to overpower. Y- means the Yallara Sorcery devils, who puts their hands over your head to overpower and stunts your brain. All these combined are God and bad.

### Bless

Do not use the word Bless or Blessing. Bless means Curse. B- means the Bullwark devils, who are like a bull-beast and a hawk-bird of prey. L- means licentious, sex, sodomy, and Godomy liard devils. E-means the Ecret bird devils who tear you up and down with their claws and beak. S- Satan who instigate the sex addiction on anyone. S- means Sogodomy – who institute the Sin – sex, selestial, incest, night turning sexual beasts who looks for prey at nights and are also vampire who sucks blood at night. Instead of Bless you say: Goodness on you.

### Visiting Dignitary

Whenever you are asked to host a visiting president, leader, royalty, monarchy, and even celebrities, do not have them meet the public. Most of these leaders are plastics, rubber, electromagnetic and made from many other types of materials. Do not put them around young children or any children of any age. It is best for them to visit the business or the leader they are visiting, but not to meet with your celebrities, sports celebrities, Olympians, etc., as these insect devils will pretend to be interested in your development, when all they want is to remove your power, to disrupt you, and to suck you out and you do not know how to protect yourself. While they are greeting you, they are also cutting out your inner selves and removing you from within. They like young children so they appear younger. They will come with the sweetest discussion and even made promises that you know will help others, but that is only a leedway into you and then you will fall back and do not know how to get up. All the banks have your trust funds and your estate funds and your weekly or monthly allowances they use and squander.

### Food Protection

One of the important protection against the devils is the use of good corn meal that is not bleached or germ removed; it should be 100 percent cornmeal. You can use it as hot cooked cereal or porridge, you can make turn-corn-meal, and you can make cornmeal puddings and pies, you can make cornmeal pone, Corn amenie porridge, cornmeal dumplings, cornmeal festivals, corn meal Cou-Cou and much more. You can even rub the fine cornmeal on yourself gently, and

sit in your couch and relax at home, then go and take a warm essence bath and soak, and the protection will get into your pores.

Get the Jamaican Sorrel fruit, dried or fresh, or use the sorrel leaves red or green and boil the sorrel leaves, flowers, fruit, separately and add a little ginger to it and sweeten to taste with brown sugar. Drink day or night any time and many times daily. Children can drink all they want. You get strong protection from it. You can add a little white rum and a little red port wine to it if you want, and drink at your leisure in your home all you want.

Get the sarsaparilla root or the vine/wist and boil it separately. Drink it without sugar or add a little brown sugar to it if you want, and drink it many times a day to protect your all over.

The Ganja plant is the five, six, seven fingers plant; marijuana can be the one that is rolled up or curled, some have other features as well; some Sense Melia, can nearly look like Ganja, but the leaves are loose; and cannabis looks like a thin Christmas tree, that is not more than 7 feet tall and dries down during the winter months and regenerates in the spring. The cannabis can have a floral smell during the fall season. You can try using the white sage of the silver dust plant and boil it. You can drink it, put on your skin, put in your bath, and put in your lotion. It is not as good as those above, but it can be of some help.

Whenever you take an essence bath in hot or warm water, always take a pumice stone with you and after you are soaked thoroughly, use the pumice stone to rub off the bottom of your feet, your heel and the ball of your feet near your toes. The essence protection will help to loosen the devel crust on your foot bottom, and the pumice stone will help to remove some of the hard crust. It is important to remove the dead cell crust from your foot bottom as it is hygienic to remove them and prevent the devel from having some place to stay in your foot bottom.

I COMRANDA that all hospitals that are responsible for taking in the plastic, rubber, metal, wire, tremoline, electromagnetic, mechanical and other materials made camouflage of a person, who are insects, animals, species devels, etc. into my hospitals, all Earths Hospitals, I CHARGE YOU. When these devels come in to the hospitals pretending to be sick, they are there sucking out, chopping out, and taking out many patients, families, visitors, workers inner selves from their bodies and absorbing them in the bodies of the devels for the devels to become younger and rejuvenated. Many of the country leaders have done this, some celebrities, Royalties, Monarchies, and other private ones as well.

#### Camouflaged Person

Some people you see who are governors, pastors, popes, presidents, mayors, and other forms of leaders over life and the people are the opposite sexes of what they pretend to be. They wrap themselves up in many things and then put on the effigy looking body and present themselves to you as leaders. Many of the slim, trim, wives, models, and actresses are men, dressed in the effigy of a woman.

Rub your hands with the Sense Melia juice or oil and put in your hand lotions. Shake the hands of the leaders or pat them in their shoulder or upper arm, you will see them shaking, things falling off them, or some form of abnormal behavior, as the Sense Melia disrupts heir function.

#### Space Travel

I COMRANDA that all private Space Trips that are not publicized are illegal. All private space trips are malpractice/illegal. All private space shuttles are illegal. All space shuttles are MINE. All my children who you have sent into space and they have not returned, are the responsibility of the governments, federal governments, republic governments, and many others. I charge all of you for murder, abduction, terror, sodomy, and wickedness on my children. You have cut many people's lives out of their selves and put them in the space areas, and the others you have abducted them and kept them in terror and your control, and they cannot get our or find their ways back. I SENTENCE YOU ALL.

If for any reason, you find yourselves in the space areas and you do not know how to get out, just say: I command myself or I command me to return to the Earth or to return to wherever I came from.

#### Post Offices

All Post Offices in all the Earths are to be opened every day except celebration days, Holy days, etc. Post Offices are to operate on shifts. Notary publics must be available at post offices. Photo copy machines and fax services must be available at post offices.

#### Speed Ticket

The insect, animal devils cause vehicle speeding. The insects either go in the vehicle and cause the speedometer to go fast or they created improper work environments that creates rush, or they control the person physical life and environment creating many shortages, obstacles, terror on them to influence speeding. To prevent speeding, the city, town, county, state can have the speed reader that tells the drivers they are speeding or remind them that they are to reduce speed. The various authorities are to help my children get to where they are going safely. No speed tickets, arrests, for any vehicle. MY COMRANDA.

The Department of Health and Human Services (DHHS) is illegal in this Earth, all Earths, and all Chreations. The Department of Health had been in these Earths before and the killed trillions of people and did many illegal experiments and created many illegal species. The Department of Health and Human services are conducting many illegal experiments and killing many humans. At times because of the work of the Department of Health, some of you are regenerated in this Earth and many places as Caucasians, Indians, Blacks, Oriental, Africans, or a mixture.

The DHHS are preventing the proper nutrition and the proper care of my children and all lives to enable the Federal insect and other species to enter our bodies and to harm and kill us. The Department of Health and Human Services are the ones responsible for taking our lives when we die. We are not to die in the manner that we do. They go into our bodies and change many of our enzymes and remove many important elements of our bodies and we cannot function and we do not know what are missing. The Food and Drug Administration (FDA) operates under the Department of Health and they are both acting with malpractice/illegally and making illegal decisions.

The DHHS is under my authority. You are no longer an agency or have any authority to be operating in this Earth or in any of my Earths or Chreations. DHHS you are FIRED and burned out with the sensemelia oil, ucalyptus oil, turpentine oil, the susumba oil, the jacaranda oil, and

the sulfur oil. I burn you, I burn you, I burn you, I burn you out. You are completely out of this earth and all my Earths and all Chreations, never to return, Right Now.

I COMRANDA the U.S.A. Food and Drug Administration (FDA) is under my authority, leadership, rule, orders, commands, etc., as is all organizations, corporations, business, banks, financial organizations, commerce, government private or non-private, profit or not for profit in all these Earths.

I COMRANDA for pain management doctors, primary care physicians, neurologists, orthopedics, and those with the authority to write prescriptions according to their field of study, as they have completed the proper training and have the certification of completion of specific qualifiable trainings to prescribe Opiods, Benzodiazepine, Ambien, as each patient needs. There is no limitation on the concurrency of using the drug according to the need and the prescription by the physician. The medication Zyprexa (olanzapine) must be given to anyone who has a need to use the medicine. Whatever is best for the patients, and as long as they need the medication, they are to get them.

Lower dosages over the counter must be available at all pharmacy, drug store, and similar places. All peoples are to know these medications are available in the pharmacy, drug stores, and the other similar names. Doctors and the patients are to make these medical decisions together not the federal government. I never gave any authority to federals to operate in my Chreations, Earths or this Earth. The physicians prescribe the medications, as they are needed under my authority.

#### Devels

I am the authority of this Earth and all my Earths and all my Chreations and over all Chreations. I have authority over all federal all governments, and I own all of the insect, animal, species, and thing devels. Whatever I say, you do. You do not obstruct or override me. You obey, as you know that you do not like pain, and the more you do, the more punishment you get. No matter what, your time is up and you already are in punishment. You can vector yourselves all you want and to pretend that you are normal, but you are deluding yourselves.

#### Vector

A vector is a v-shaped instrument. It can be a mini one and it can be a giganamous one, and there are even bigger ones as well. The vectors use many supernormal and abnormal power and strength. Most vectors have many supernatural lives and others attached to it to give more power. The devels and many others like Microsoft put them together and design them to harm us. They can be used to get into microorganisms in our bodies to see what is inside of us and to destroy us from deep within so we are affected on the outside. The federal insects go inside our bodies and they put the vectors inside our bodies. They put the vectors inside our brain, ears, nose, stomachs, inside our eyes, inside our vaginas bottoms and they put the humangamengous vectors over our home and over our heads and they open our bodies wide. When this is done, there is no sleep for the person as we are wide open. We do feel the openness and there is nothing we can do unless you know how to use the white rice water to drink, to soak in, and to rub on our skin and head, then use the sense melia and the others every two hours or every three hours in this natural earth as best as you can get it done. You can also add a small amount of the blue powder to the rice water.

The devel tortures, terrorize, crawl, bite, stings, stab, pinch, and chew our inner intestines, inner selves, and our outer flesh so we can feel, hear, and see them. They put us in terror continuously every micro cent of time which is less than a second. With these wicked things, the federal devels do to us, we experience insomnia and there is no sleep and we have to function as normal as possible which is impossible. The Zyprexa is supposed to remove the federal insect devels from our bodies so we do not feel the bite, stings, piercing and we do not hear them in our ears (I do not know if the Zyprexa works).

The Ambien I know helps us to sleep even though the devels can still interfere with our sleep. The Ambien still do harm to them the devels. With limit on these medications, we cannot function and we experience the terror and horror at an giganamous heightened level, and that is what the republics and federalers like. This devel insect, animal, species, thing control MUST STOP NOW. No federal republic insects, or any species, or any animals, thing must get inside the earths and terrorize and remove our happiness, or stay in the Earths. All these federal insect terrorist want is to do wickednesses. They do not want to do anything else. This is because their bodies are built to endure torture, as that is their order of existence and they live to terror each other. They are not from our region. They are not from our parts of esistence, they are not to be in people, one, someone, or our animal plants life chreations. They are not to be in this Earth.

As many of us know, Michael Jackson, a musician and a performer, one of my children, died of drug overdose in 2009. Michael is from the Jackson Chreation. He was killed by the federal government and many others who stormed him day and night. They used the many humangamengous vectors on his head, in his body, and they tortured him from day to nights without stopping. The federalers opened him up so that he couldn't get any sleep. He had to get a physician to administer medication so he could sleep. All Michael needed was to take the sense melia and the ganja then juice it and drink it to stop the devels from getting in him. He could also drink the bitter cerassee and the ucalyptus juice and many other mixtures of herbal essence that I made and put in the Earths to protect them against the devels. He did not know what to do as ganja and sense melia are illegal by the federal and republic governments and no one really know anymore how to use the herbal essence to protect. With the usage of the herbal essence, the Zyprexa, and the Ambien, Michael and many others could have been here with us today. Many of you also know that Whitney Houston was found drowned in her bath tub in a hotel. These are some of the many unusual ways that people are found dead and it is unexplained or the coroners make up some fictitious explanations that the federalers give to them and they are all in conspiracy to defraud your knowledge. Whitney's death is a federal, republic and other killing and continuous terror. Once they begin to terror you, they do not stop until they take your lives. That is how they said they operate.

### Insect Intelligence

In the insect environment, they have knowledge and skills to do their work, and they do have many things that they use, as they are not dumb. They are to exist in their environments and not be in ours. Their system broke down when the husband man killed his wife, took her power and authority and then he put himself as the leeder. Man cannot lead the life of these insects. Man cannot leed insect life. Since he is not to be the leeder, he puts the lower level leeders at the top and used them to direct and have authority over the higher level leeders. This created major upsturs and caused many tensions causing their entire insect order to defunct. This continued for

many years and after many wars, deaths, some of the insects tore down their creations and they crawled out and found themselves in other places not their own. They wandered away for a long time and they came upon many other forms of life that are not us. They found ways to enter their environments and then learn from the new species. Then they found ways to try to be the new species and to take over from the specie leeders. This continued for a very long time, until they got to the life of people chreations. It took a long time for them to get to the Earths as the Earths are not a place for them to esist. The Earths are heavy and dense; However, like all the other places they come to live in, they found many ways to exist and to be a terror and torture to our lives. They set themselves up as the Federal government. We do not have governments or governors, or mayors in this earth or any Earths or any of our Chreations. How do these species exist? They found many ways to east from time to time.

### Devel Features

The devels wear effigies or statues that looks natural, real or flesh. These effigies look like real person. They have plastic, rubber, tremoline, metal, paper and many different materials they use. Some of them use the electromagnetic which is a combination of electric and magnetic and they have many different types of power to charge them up and to keep them going. Inside of the effigies, it could be something like a little box with them inside and they are connected to the electromagnetic where they can use the electromagnetic to appear to be normal. Some of them are animals or insects and they have a place inside the statue that they put themselves or put their hands/two front paws in a stirrup and their back legs into the foot syrup and then it moves just like any normal person. At times, they have a space or flying saucer above their heads and not visible to your yes. At times, they also have many others around them and above them doing many things to help them move from place to place and they are in a black incondesant covering and you cannot feel them or see them. You can feel them if you bump in one of them and you have the Sense Melia on your skin, on your shoes, or rubbed in your hand.

Whenever you touch them with the Sense Melia juice, they do feel it, and you will see them shaking or moving fast. Many of them have a moving vehicle that they retire in when they discharge. At times, you may see them change clothing and a new face that resembles the first one comes out. They have many originals of them, many replicas, many impersonators, many copies and other types of them. They have many ways to fool the eyes. The ones who are leeders in federal government, and other governments sometimes take 15 minutes breaks often, as they have to recharge and they say sometime like they have a telephone call to make, or they need to go to the rest room, etc. The devels have many tricks they have been using to get around us. Because the federals and the republics and the British cut off our connections and removed many links, we do not have the outside computer connections, the inter connection, and many other connections anymore they take disadvantage of us and we are in the dark and do not know how to get valuable knowledge.

Our bodies are not made to experience horror, terror, conflict, criticisms, war. There is no need for anyone in these earths to compete against any one. We the Caicobans or peoples of the earths cannot live in hunger or lack or want for any food clothing, home or anything. The devel wants hunger, famine, wars, terror and wicked things, as they are built to do these wicked things on each other under their woman leadership not the man. Their skins are made thick to experience wickednesses. They have many things in their environment to do

wickednesses. They carry the wicked things into our environment and make them bigger to fit us, and they use them to terror, control, and kill us. We have to stop the insect devils called the Federals, British, and the Republics now.

The federal government took away a lot of my valuables that I should have to do my work in my Earths and Creations when I was abducted on January 1 to January 4, 2017 from a USA airport. Barak Obama, are you amalgamated with Donald Trump so Donald Trump can do his work? Barak Obama and Donald Trump, are you both acting as judges in courts cases, attorneys, barristers, in federal, state, and county/municipal courts? Are you tearing down the assigned judges and going into them and making judgement illegally to satisfy your terror on my children, so they innocently go into prison and you terrorize them in prison and take from their bodies what you want?

Obama, are you the invisible silver man/Sylvan who goes around killing many of my children in disguise and then getting innocent men and woman putting them in the scenes to say they are the killers or acting improper?

Barak Obama/Silver man, and Family

Are you the ones going inside my children's homes and drowning them in bath tubs and drowning and killing them while in hotels?

Do you put cocaine, dope, opium in their pockets to say they have drug overdose and do you force the coroners to write wrong information on the death report so you can take away my children's estate for the state?

Do you inject my children with cocaine, opium, and dope to say they have high volume of counter band in their system when it is you who put them their bodies?

Barak Obama and Donald Trump, were you and the other federals the instigators who abducted me on January 1 to 4, 2017?

Donald Trump in the natural cut-out told me that he organized the abduction and all the other wicked things that happened to me because he did not want for me to inaugurate him. He wanted for Barak Obama to do it, so they can work together. If I had done it, Trump would have to work under my authority which would not work for him, as he would not have the wicked power he needed to do wickednesses.

Barak Obama, are you rubber, plastic, metal, wire, paper pin-up, mechanical, or electromagnetic in the natural and in the natural cut-out? If you are not, let me know what you are made of in the natural.

Are you a Man Barak, or what are you?

Barak Obama, there are so many multiples of you, that it is sickening what you do with plastics in the cut-out, spirit, realm, and reality form I have seen you in. Why are there so many versions of you?

Some of your versions you are grinded out and put in the effigy or statues and your make up is that of a mixture of grounded flesh. Are you in the natural grounded out?

Do you smell or you use Iodoform or something to keep down the smell?

Explain to me how the various forms of you operate.

Michelle Obama are your children dry sticks, plastics, rubber and resurrected old peoples put in children plastic figures or what? Please explain.

Michelle Obama, are you two people or many twisted together in the natural? Are you rubber, dry sticks, plastic, metal, wire, electromagnetic or a combination? If you are not, let me know what you are made of in the natural. You and your husband can send me a written response as soon as April 30, 2017.

Donald Trump

Are you and your family plastics, rubber, metal, wire, mechanic, electromagnetic, or a combination?

Donald Trump, I have seen four Trump brothers together in the natural cut-out and one of you answered to say there are six brothers of you operating in this natural cut-out. I have also found a chreation in one of my spares that is called Trump spare with many versions of the Trump men and women. Are you from that clan?

I also saw that you have taken my children and packed them inside your effigies so you can use their power and authority, is that what you have done Trump?

Barak Obama, Michelle Obama, Donald Trump, other USA presidents, Republic, some governors, and some mayors, are you all not prisoners who are to be in maximum security prison for many millenniums in your own insect, animal, specie, and thing devel places and inside many human spares and many people spares?

Have you escaped and put yourselves in my Earths and chreations killing and doing wickenesses to my children and to me?

All of you whom I have asked questions can send me the answers by May 15, 2017 or answer the questions when we meet on live TV.

The Federal insect devels her in this natural Earth, are the same ones in the other Earths and many chreations after we die. You might believe that you are finished with them when you die. That is not so. They are the same ones and many of the government leeders are in the other Earths being leeders again. I have ordered this leedership chain to stop, and none of them cannot be leeders anywhere.

Say: Federal is my Leeder,  
Devels are my leeders  
Insects are my leeders  
Animals are my leeders  
Species are my leeders

---

Say: We have to abide by Federal laws  
We have to abide by Devel laws  
We have to abide by Insect Laws
