No animals are allowed at any games, or practices. Size does not matter, and being carried in a pet carrier/purse does not matter. They may not be at the fields—period. **Service dogs** are permitted

Any party seen with a animal will be asked to remove their animal from the fields, the game will be stopped until they do so. They may be ejected from the fields totally, if they refuse to immediately follow the rules. This is NOT a discussionary topic.

The team coach is responsible for ensuring that all team parents are aware of the **NO ANIMAL** rule, for games and practices.
