

## FROM THE FOUNDATION PRESIDENT

Dear CCHS Foundation Supporters,

The Charlotte Catholic High School Foundation Board of Directors has proudly launched into a new school year, building on the successes of 2015-16. Donors to the CCHS Foundation again made it possible to equip our classrooms with new technologies and learning tools. We were able to provide scholarships for families in need as well as tuition assistance to the children of our teachers. These achievements and so much more are possible because of your support.

Our biggest fundraiser of the year was “The Gala” at The Fillmore in uptown Charlotte. Thanks to tireless volunteers and incredibly generous donors, the fun-filled night netted more than \$150,000! The evening’s success is making it possible to launch a language lab, and discussions are underway for the potential creation of a S.T.E.M. platform specifically for Charlotte Catholic High School.

The Gala also funded the new Sister Paulette Williams, RSM Awards for Outstanding Service. Five of our exemplary educators, nominated by students, parents and peers, were honored at graduation with a much-deserved \$5,000 award.

The past year also brought a few changes to the CCHS Foundation. The most visible was an update to our logo. It now includes three important words that serve as our guiding principles. **Faith. Legacy. Vision.** **Faith**, our foundation in Christ, is the cornerstone of all we do. We also are determined to leave a **legacy** of building on what came before us, so we can fulfill our **vision** that all who come through CCHS reach their full potential. We have a new website to keep you informed of our progress. We hope you visit [www.cchsfoundation.org](http://www.cchsfoundation.org) many times this school year.

The Charlotte Catholic High School Foundation has one focus, and that is Charlotte Catholic High School. It has been that way for 42 years. It will never change, and it’s because of the generosity of parents, alumni, and other supporters of Catholic high school education. We are most grateful to you, and we look forward to your continued support this year. Thank you!

Norm George
