

5th Annual International Mariachi Conference

Limited number of spaces available for showcase.

Registration and Payment Deadline: February 18, 2017

Workshops: 9:00am – 3:00pm, March 10 and 11, 2017

Student Showcase: March 10, 2017 at 6:30PM

Student Concert: March 11, 2017 at 6:30pm

CONFERENCE OVERVIEW

The purpose of the mariachi student conference is to teach traditional mariachi music. Students will learn the technique of the instrument, while learning the repertoire. Students will also receive instruction on the history of mariachi music, and learn about important mariachi figures. Our goal is to inspire students to refine the practice of mariachi music, empower students to pursue higher education, and support their development in the arts and sciences. Students will have the opportunity to meet and learn from some of the best mariachi musicians in the United States and from around the world. This year, we will have two days of mariachi instruction, March 10-11, 2017. All classes will be taught at the beautiful campus of the University of San Diego (USD).

INSTRUCTORS

We are proud to announce that the University of Texas Rio Grande **Mariachi Aztlan**, **Rigoberto Alfaro**, **Sergio Caratachea**, and **Javier Rodriguez** will be among our guest instructors for the 5th Annual International Mariachi Conference. Guest lecturer **Jonathan Clark** will provide a history of mariachi music, while highlighting renowned mariachi musicians.

STUDENT SHOWCASE & CONCERT

On March 10, 2017, we will conclude the day with a **student showcase**. Participating student groups who sign up will be able to perform and receive feedback from distinguished mariachi instructors. From the student showcase performers, four student groups will be selected to open for Mariachi Aztlan the following night. **(Sign up your student groups below).**

On March 11, 2017 we will host a **concert** where all participating students will perform the music learned at the workshops, plus the four student groups chosen from the night before, will perform with Mariachi Aztlan, and other special guests.

PARTICIPATION GUIDELINES

In order for students to maximize their educational experience, it is recommended that students be able to **read musical notation**, and have the **basic knowledge of their instruments**. There will be instruction in **violin, trumpet, guitarrón, armonía, harp, and voice**. There are **three different levels** for violin, trumpet, armonía, and guitarrón.

Students with the most experience of their instruments should sign up for the **advanced classes**. Students with the least experience should sign up for the **beginning level**.

Please instruct your students prior to the conference, what level of class they will be participating in. This will ensure that all students can receive the most out of their experience at the workshops. **Students need to bring their own music stand. Instructors will not be allowed to perform with student groups.**

INTERNATIONAL MARIACHI FESTIVAL

The 2017 International Mariachi Festival is a community-friendly event providing entertainment for families to come together and celebrate San Diego's Mexican heritage through mariachi music, traditional ballet folklórico dancing, and a celebration of arts, culture, and culinary delights. The Festival will be held on March 12, 2017 at Pepper Park in National City, CA. Conference participants are encouraged to also participate at the festival by performing on the main stage. The festival offers mariachi groups the opportunity to perform before thousands of spectators and share the gift of mariachi music with the public. **A separate registration application must be submitted to participate in the Festival. Instructors will not be allowed to perform with student groups.**
