

THE COMING JUBILEE WAR

This study suggests that the 1st Jubilee to be celebrated on September 23, 2015 by a unified Jerusalem since 1967 will most likely involve some sort of war, thus a Coming Jubilee War. The rationale is that the in one prophetic aspect, the Jubilee is interrelated or synced with a 3-fold actualization based on the Blood Moon Tetrad series of 1950-1968-2015. At each occurrence it approximated an extreme prophetic significance concerning the Jewish people. As other studies have suggested, such Tetrads are in tandem with the sequential restoration of Israel, to have started the prophetic countdown to the 2nd coming of Jesus and the culmination of the final Jubilee War. The 1st actualization of the countdown sequence started with the UN Proclamation of a 2 State solution in 1947, the declaration of Independence and birth of the State of Israel in 1948 and the UN recognition of Israel as a member state in 1949. The 2nd actualization occurred on a presumed Jubilee year, 1967 that saw the ancient city of Jerusalem along with the Temple Mount liberated from the Muslims. The 3rd actualization is yet to prophetically occur. Based on the prior patterns, it will either start or soon after the completion of the Tetrad of 2015. Many speculate that this event will be a major regional war between Israel and the various Muslims Jihadist coalitions.

49 Prophetic years of 360 days each = from June 7, 1967 to the Day of Atonement September 23, 2015.

THE GOLDEN RATIO

It is the 'Signature of the Creator'. It is seen in math, nature, the arts and the Human Form. It is when 2 quantities are in the golden ratio if the ratio of the sum of the quantities to the larger quantity is equal to the ratio of the larger quantity to the smaller one. The theory is that this irrational number can be applied to Biblical prophetic time as well.

The point is that if and when this occurs, it will coincide with a Jubilee count of time that correlates to September 23, 2015, thus the coming Jubilee War. This war could be the catalyst for the 3rd actualization that could see the 3rd Temple come as a result. Another prophetic aspect of the 3-fold actualization of the countdown is that the Tetrad and its associated event of Israel becoming a nation and the capture of the Temple Mount are in approximate phi ratio to this September 23, 2015 time. This mathematical ratio has a Jubilee count within its timeframe from 1966 to 2015 of exactly 49 years. Is this mere coincidence? The point being is that the 2 prior prophetic time markers of 1949 and 1967 were enveloped in major war for the survival concerning the Jewish people in the land. Thus this study strongly suggests that if the patterns of the prior 2 Tetrads and their respective mathematical time ratios are any possible indication of what is to come at this Jubilee juncture in time, it will be a war that will see the Jewish people's survival at stake. In essence it will be what this study constitutes as the coming Jubilee War. What many have come to believe to be the romantic notion of the Jubilee will be with Jesus' 2nd Coming cannot be supported by this study. This study suggests that in fact there will be a coming Jubilee War.
