Re: EIPC SSC November Webinar

All,

Below are details for a Stakeholder Steering Committee webinar planned for Friday, November 14, 2014. The webinar will be held from 10:00 AM EPT to 12:00 AM EPT. Connection details are shown below.

The primary purpose of the webinar is to report on the results of the Target 4 Dual Fuel Analysis of the Gas-Electric System Interface Study. The webinar will provide an overview of results and an opportunity to ask questions and provide input on the draft Target 4 Report, which should be distributed by November 7, 2014. Stakeholder written comments on the draft Target 4 Report will be due by November 21, 2014. The webinar will also provide an update to the project schedule for the remaining work on Targets 2 and 3.

Meeting materials will be posted at a later date. Please do not hesitate to contact me if you have any questions.

Best,

Tim
