WHO DO WE BENEFIT?

BENEFITING THE DEPARTMENT OF RECREATION, SPORT & TOURISM

The Department of Recreation, Sport & Tourism ranks as one of the best in the country. The RST program provides a solid foundation for students to explore areas of study in sports, recreation, travel, & tourism - while also giving them “live” work experience through an internship program that is a requirement for graduation. With tuition costs continually on the rise, the Illini RST Celeb-Am Golf Outing was created by RST Alumni with the intention of creating an event that can directly contribute funds for the general RST scholarship fund. We thank you for your support, and for assisting in the development of future sports & recreation professionals across the country!
