## Looking Back

September was an amazing month! We learned so much about listening and following directions. We also learned about shapes and had fun saying "parallelogram". We talked about colors and had fun mixing them together to make new colors. Learning about apples was awesome, we even made yummy apple butter! We started doing our "Cupcake Behavior System" and we are trying hard to stay on vanilla. We know that sometimes we all have a "chocolate day" and that's ok too.

In October we will talk about fall. We will be learning about fall colors as well as pumpkins and leaves and much more. We will continue to work on skills such as cutting, sorting, matching and counting.

Watch for a sign up sheet for conferences outside the door. I am excited to meet with you all! We will end the month with our Royal Ball. Be on the lookout for more information.

## Reminders

Please empty your child's folder everyday.

## Important Dates

October 8-12- No School Fall Break

October 25&26- Parent Teacher Conferences

October 31- Royal Ball

## Birthdays

Vihaan- October 12

Seerat- October 16

Samarth- October 23

Aashi- October 24
