STRATEGIC PRIORITIES

Engaging Our Students – As they develop premier leadership and personal growth, students become better equipped for career success. We have opportunities to help students develop every day.

- By offering students relevant resources, we help them achieve success.
- By connecting students with the industry of agriculture, we prepare them for career success.
- By communicating the value of ND FFA experiences, we demonstrate how students are prepared for a successful future.
- By championing student success, we acknowledge their efforts.

Supporting ND Team Ag Ed – As ND Team Ag Ed strives to advance agricultural education, ND FFA Foundation supports the endeavors of ND Team Ag Ed membership every day.

- By providing quality resources and professional development, we support ND Team Ag Ed.
- By developing targeted fundraising, we reinvest in ND Team Ag Ed and support their evolving needs.
- By advancing the Star Partner Program, we ensure the future of ND Team Ag Ed.
- By recognizing the work of ND Team Ag Ed, we raise awareness of their needs and accomplishments.

Telling Our Story – Our story is about agricultural education – and it is about agriculture, food, natural resources and agricultural education. Each of us has opportunities to tell our story every day.

- By sharing our experiences and resources, we help others expand their agricultural knowledge and literacy.
- By increasing agricultural knowledge and literacy, we all become advocates for agriculture, agricultural education and FFA.
- By describing how important agriculture, food and natural resources are to global sustainability, we communicate the diversity of our curriculum and value of agricultural education.
- By engaging an extensive volunteer network, we are cultivating support for agricultural education.
