From the President's Desk:

Not much new to report this month, just a reminder with COVID on the rise, we will continue to have membership meetings outdoors, so dress appropriately and bring a chair.

It is with much regret that the board of directors has decided to cancel the annual Christmas party this year. We will have the meeting at 6:00 pm, but no refreshments or auction.

Have a safe and successful hunting season this year, and if you get a chance take someone new to hunting into the field with you.

We have one orientation left this year: Saturday 12/5 at 2:00 pm and orientation will meet in the upper parking lot. We will not be using the building. Please dress for the weather, as we will be doing a walking tour of the grounds. This is the best time of year to join as our dues run January 1st through December 31st no matter when you join. If you have friends or relatives interested in joining please direct them to one of these orientations and a membership meeting. Have a Healthy and Happy Thanksgiving!

-Howard Thompson

CHRISTMAS PARTY CANCELED.

The Dec Gen membership meeting will still be at 6pm in the front lawn.

Bridge dedication at York IWLA

On Saturday October 24, 2020 there was a bridge dedication ceremony for Corporal Michael Cohen at the club grounds. Mr. Cohen lost his life on November 22, 2004 in Fallujah, Iraq. In the picture is the sign to be put up renaming the bridge on Iron stone hill road. In the pictures with the Cohen family is Senator Kristin Phillips- Hill and Representative Frank Rayan.

 Point Series**

I have to be honest I was worried that the 2020 season wouldn't even happen come March, amazingly with the help of so many awesome people and the support of IWLA of York, we were able to make the 2020 Vortex Optics Point Series a wonderful success, despite only having 4 matches. I would like to thank the 49 people who signed up for the series, and everyone who came out this year and shot with us!

I would also like to thank all our sponsors that make this point series possible, as well as all the York IWLA members who help set up, and the small dedicated team who brings it all together, Kevin Downing, George Dorbert, Garrett Boop, Nancy & Natalie Webb and many more too long to list.

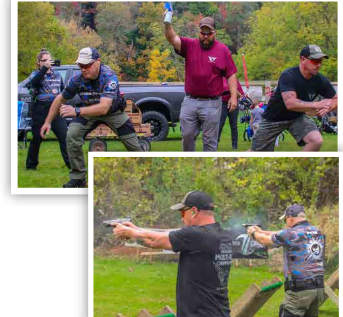

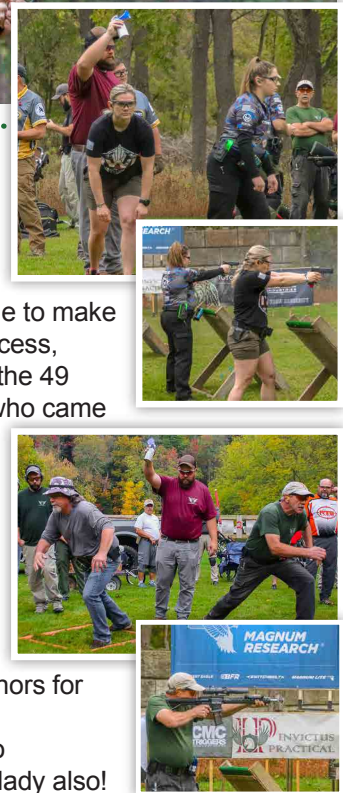

Congratulations to **Nathan Sypeck** on taking top honors for the year, to **Gregory Senft** for earning top senior **Dave Stephens** for earning top Super senior and to **Natalie Webb** for earning not only top junior but top lady also!

I am looking forward and already preparing the 2021 Point Series, hope to see you all there.

MEMBERSHIP COMMITTEE

Hello from Membership!

I also want to make everyone aware that while we cannot renew our memberships online, there are several things you can do to help me out. If you go to the National website, www.iwla.org, there is a tab titled Member Center. When you click on it, there are links where you can update your address, your phone number or add your email. The York Chapter does not currently share your email address with Nationals, so if that is something you are interested in, please update the information with them. Please also drop Gary or me a note on email changes, because we do use them at the Chapter level. You can also request a replacement card if you lost yours and request a copy of a magazine if yours did not arrive. And one last note, please contact me if you know a member who has passed so we are able to keep our membership correct. — Lisa

FUNSHOOT [FIND OUT MORE](#)

Thank you to the 44 people who came out to shoot in October! The next funshoot will depend on weather but is scheduled to be November 21st at 8:30 am. Our FunShoots are like a falling steel type shoot. They are designed for almost any shooter, from the novice to the experienced multigunner. Primary guns are pistols and pistol caliber carbines. Yes, .22's are allowed! This is a casual, free form shoot requiring little movement, timers or scoring. Come join us! TROUT COMMITTEE

Trout Arrived October 7th

Jerry and I would like to thank all the volunteers who are presently feeding the trout. The trout feeding will continue for the next six months to ready them for spring stocking.

Reminder, there are still trout t-shirts available, for \$10 each, at the clubhouse.

You can purchase them at Open meetings or contact Bob Nelson at treasurer@yorkiwa.org for other options.

If you are interested in stocking trout over the spring, please contact **Bob Nelson** at treasurer@yorkiwa.org.

LAKE TONIAN

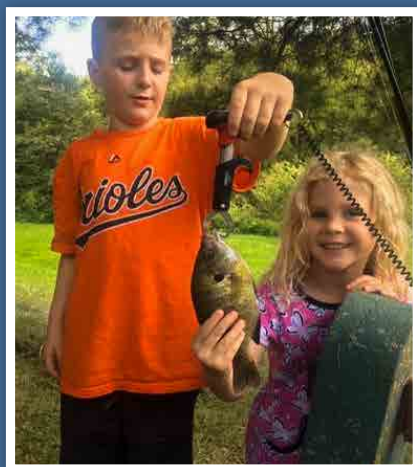

It has been a quiet month around the pond. We haven't heard of any catches or seen any pictures from the membership. I'm as much to blame as it's been a month since I've fished the waterway. Even though the weather has turned colder (and the wind has increased), I'm certain the fish are still feeding heavily for the upcoming cold water period.

This month's spotlight shines on a brother/sister team. Hannah and Noah Yost were "caught" helping control our bass population and enjoying the trophy bluegill fishing this summer. Hannah learned how to ID each fish as well as how to properly hold a bass. Noah had no problem letting his sister do the handling of the fish for pictures!

The regulations will continue as:
ALL panfish are catch and release.
ALL largemouth bass 13" and over are catch and release, and ALL largemouth bass LESS THAN 13" are to be removed.

Visit our website for additional fishing info. and recent catches from Lake Tonian. — Zig
