April 20, 2017

1. COTP Members Present:

- | | |
|--------------------------|----------------------------------|
| 1 – Larry & Bev Baker | 2 – Tony & Louie Dillon |
| 3 – Ron & Pat Kulchawick | 4 – Jim & Kay Lisiecki |
| 5 – Dave & Polly Wilson | 6 – Dave & Susie Allen |
| 7 – Jack & Kathy Allison | 8 – Frank & Deb Midkiff/Mitchell |
| 9 – Rick & Letha Mahan | 10- Tommy & Betty Webb |

2. Meeting called to order by the President at 6:58

A. Dave welcomed everyone to our April meeting

B. Vice President Ronald Kulchawick suggested that anyone that chooses to drive their corvettes to the monthly meeting should think about parking across the street at Freds to avoid the possibility of someone hitting our cars. Jack and Kathy's corvette was damaged a little in March while parked during our meeting.

3. COTO's Treasurer Report:

A. Polly stated that we are solvent

4. Old Business:

A. Dave thanked everyone that participated in the April cruise. We all ended our cruise at Whispering Woods for a great meal. Frank and Deb will lead the May cruise. No date has been selected. Cruise date will be announced later.

- B. T-shirts! A sheet with names of members and shirt sizes was passed around for everyone to verify to make sure all information was correct and to make any changes. On April 21 the final order will be made. When all of the shirts have been produced, the Cotton Company, (which is located across from Hobby Lobby), will notify Dave. Dave will then send out an email to the membership where members will have 10 work days to pick up and pay for their shirts. The shirts are 50/50 cotton polyester. Extra shirts can only be ordered in bulk. The printer will try to save print.
- C. In March we talked about the possibility of Mark Martin Chevrolet becoming a sponsor. Due to no response from them Dave suggested that we not consider a sponsor at this time. Kink made the motion and Larry Baker seconded it. Everyone was in agreement.
- D. The Classic Chevy Club of North Arkansas Spring Cruise-In will be Saturday May 13. It is a tradition that our club have 3 or 4 cars participating. We would like all to think about this. Dave will email everyone when the date gets closer to remind us about this event. Just a reminder that all proceeds go to the local food bank. There is a \$5.00 donation required. Everyone please consider attending this event.
- E. We had another interesting hit on our web site! Minsk, Russia

5. New Business

- A. Louie Dillon reminded us that the club donates \$100.00 every year to the Elks Veterans Golf Tournament. Jim Lisiecki made a motion to make the donation and Larry Baker seconded it. Everyone was in agreement.
- B. Frank informed us that the cruise in May (which he and Deb are leading), is going to be a ride to Leslie. This cruise takes about an hour and a half. The restaurant that they have chosen is not normally open on Sunday. They have offered to open up just for us but need to have a 15 person participation in order to do so. Everyone agreed that normally there is at least 15. Please everyone try to ride with Frank and Deb next month.

C. We have a few old t-shirts left if anyone is interested. They are mostly XL, XXL, XXXL.

50/50 Drawing

The winner of 50/50 was Jim Lisiecki. Congratulations Jim!!

Meeting Adjourned at 7:17

Next Meeting May 18

Hope to see you all there!
