

24. Pat Osetek - Twisted Tiles
Class Information and Supply List
Teacher-Pat Osetek

PROJECT INFORMATION: Spinning round and round, Twisted Tiles demonstrates how a quilt can give the illusion of motion. The pattern provides three different size options; lap-68" by 68", twin-68" by 93", and queen-93" by 93".

VENDOR INFORMATION: Supplies available from: Adirondack Quilt Camp
Sponsor/Vendor: Log Cabin Fabrics, Selkirk, NY (518) 767-2040
www.logcabinfabrics.com

SUPPLIES

Please obtain all supplies prior to class.

PATTERN: **Twisted Tiles** by Snow Day Designs. SDD-104 (available from Quiltwoman)

Each student is required to obtain an original pattern.

FABRIC: See pattern for fabric needed for size selected: lap, twin, or queen.

GENERAL SEWING SUPPLIES:

Sewing machine, needles, pedal, and power cord, thread and bobbin
Cutting mat, rotary cutter with sharp blade - a cutting station will be set up in the classroom

Ruler-for squaring up blocks

Pressing mat and iron - A pressing station will be set up in the classroom

Pins, shears, scissors, seam ripper

Extension Cord

Fan, just in case it's hot

I recommend cutting fabric in advance of class. This will allow you to get more accomplished in class.

Please feel free to contact me if you have any questions.
