

## Workshop Abstract Submission

Business Partners if you are interested in sponsoring a workshop, please review our Business Partner Engagement Agreement for WAPPA workshops. This will provide all the details, costs and benefits to sponsoring a workshop.

Please submit your abstract on your speaking topics, and if you have a host institution you would like to partner with for hosting please indicate that below. If you do not have a host institution and your abstract is approved, we will gladly coordinate a host institution for your event.
