January 2013

**January 8th - Tour of the Holland Board of Public Works
power plant by Carl Thorwall
Meet @ 6:30 @ Culver's on West Shore Dr. in Holland**

CHIEF'S CHATTER

Welcome to the new administration, I guess if there is one bright spot to this you can't call me Bidden anymore. I hope you all have had or will have a wonderful Holiday Season and a Happy New Year.

Looking ahead we will try our best to make it an exciting year. But in doing so we need your help. All ideas for cruises and meetings are welcome. We will be having a planning meeting in January to try and put together an agenda for this coming year.

My goal this year is to raise the membership roll, this requires your help. While driving during the past summer months I noticed many older Pontiacs that are not in our club. I'm sure that you also see these cars and we as club members need to talk to the owners and invite them to come and try our club out.

I'd like to express my thanks to last year's president, Bob DeBoer for a job well done.

That's it for now, see you at the January meeting on the 8th, we'll be touring the Board of Public Works in Holland.
