Isaiah 66:8 If you agree: Pray for Israel's leaders, clarity in hearing God (same Father) as to dealing with Iran and puppets. Jesus's angelic protection, visions and miracles of healing and provision for Israelis and non-terrorist Palestinians under Hamas/Iranian rule. Pray that Israelis meet their Messiah and Isaiah 54:15-17 that all, even the worst bow their knee and from their hearts confess .. **CHRIST JESUS IS LORD** for that we **RAISE A HALLELUJAH !!!**

Bangula, Bangula how we long to see you gathered under his wings..

We had this picture and report early in the week: "Bridge not safe and cut off from Bangula.." Latest news is probable one lane over bridge? Will the abutment hold?? Hopefully!! So the area already reeling from drought and no crops, President Disaster declaration Mar 20th and now with replanting gardens washed away with floods... the challenges of this area are even greater than most if not all other districts. Apparently 'Out of Favor' Govt employees were sent here.. The heat, the malaria, the remoteness, the lack of much.... Thankfully Bangula was not flooded as last year this time. Fish and bread multiplication so welcome :-) however and when/where/whomever always grace and so surprising how Holy Spirit brings what is needed even when our timing isn't his timing... We have many repairs and maintenance projects as well as staff needs waiting to see how they will be looked after. So often a God-story unfolded when hindsight is available!!! We do enjoy the stories after!!! LOL and that is another **RAISE A HALLELUJAH !!! Thank you Lord !!!! AND Thank you family !!!**

Question: Why does Will always have testimony & exhortation?? Answer: So you can share with those you love and those Holy Spirit nudges you to who do not know our Lord Jesus and Holy Spirit in His gentle kindness and even vulnerability to us.. (Who else are we told do not grieve?? Eph 4:30) AND of course our absolutely good Abba Father!!! A 'new in the family' was just saying how he doesn't know how to share & feels bad when he doesn't as his life has changed so much and he wants others to know. A scripture came to mind .. "One thing I do know. I was blind but now I see!" (John 9:25) We are witnesses just testify!! :-)
