Silver Watch Registration Form

JICPD is proud to announce a new "Silver Watch" program in the community. You can register your elderly family members, who live in Jupiter Inlet Colony, for the Silver Watch program by filling out the form below or by visiting jicpolice.org and clicking on "Silver Watch." Once you either register electronically online or fill out this form and drop it off at the Police Department, officers will make periodic friendly visits of your registered family member(s). The registration form will provide officers with emergency contact information and any other information you think we should be aware of. This is a welfare-check program and is especially useful when there are caregivers in the home. It allows the officer to say hi and to make sure things are ok. Officers will randomly visit homes between the hours of 9:00 a.m. and 7:00 p.m. Help us protect your loved ones by adding them to the Silver Watch Program. If you have any questions, please contact Chief John Pruitt at (561) 746-3787 or email him at pruittj@jupiterinletcolony.org for more information.
