HEDGESVILLE – The Tucker County High School Cheer Squad competed in the Class “A” Region 2 Cheer Competition last Saturday November 5th at Hedgesville High School.

The Lady Mt. Lions put together a flawless technical cheer, but had difficulties with a pyramid series in the open routine that dropped their overall score to 234.15 points. Only the top 2 teams in the Regional go on to State Competition on December 10th. Clay-Battelle won the first place trophy with a score of 325.9 and second place was captured by South Harrison with a score of 282.55. Head Coach Amber Kyle had this to say after their performance, “The squad competed with all their hearts, but recent injuries required changes in the routine.” For more info go to TuckerCountySports.Com.
