

ASM INTERNATIONAL PUNE CHAPTER

Presents

Students Material Camp

In association with

**Metallurgy Department College Of Engineering Pune
& ARAI**

Dates - 14 th - 15 th - 16 th May 2018

Venue - Metallurgy Department , College Of Engineering, Shivajinagar, Pune

What is Materials Camp?

It is three days fun-cum-learning material science camp,
Hands -on experience of few experiments.
Watch live videos
Learn interesting things from experts about materials science
Visit Industry and state of art laboratory visits and broaden the vision
No lectures – Just fun

Programme Brief

Experiments shall be shown on various subjects like:-

- Corrosion • Non destructive testing
- Microstructures of metals and alloys
- Heat Treatment • Foundry
- Hardness and Tensile testing
- Welding

Industry Visit – Tata Motors, Automotive Research Association of India

Camp Details

Course material, T shirt , Breakfast , Lunch , tea shall be provided
Total number of Participation accepted are 20 , on first cum first basis
For industry visits transportation shall be arranged.

Details shall be given during camp.

Time – 9.30 am to 5 pm

Valedictory function with certificates honouring

Who can participate

Students of class X , XI and XII (science stream)
Enthusiastic learners , inclination towards engineering, highly motivated

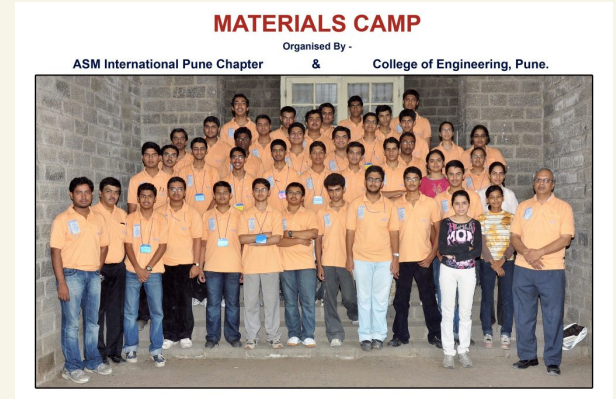

About ASM International & Pune Chapter

ASM International founded in the year 1813 is world premier association working the field of materials and metallurgy. An objective of the society is to disseminate the material science knowledge across the globe & to provide networking opportunities. This is achieved through publishing various reference books , arranging technical seminars , conferences, exhibitions etc.

Pune chapter, is one of the most vibrant chapters of ASM international that is started in the year 1992 and is premier materials body in Pune, offering many activities , seminars , conferences etc. consistently.

Students camp is aimed at generating interest in one of the leading and expanding field of material science , through an exciting way.

COEP (Metallurgy department) and ARAI extend their vital support to conduct this camp.

No Fee for
the registration.
